The best way I can welcome you to the Nyack College community is to remind you that you are not here by accident. God has brought you here for a purpose. What is that purpose? Making that discovery is what the Nyack experience is all about – that’s what makes being a part of the family here such a wonderfully life-changing experience! As you begin your journey, know that the entire faculty and staff consider it our purpose to help you discover yours. We are praying for you, and we will work to make your time here a period of tremendous growth, both academically and spiritually. We can’t wait to get started!

Welcome from Wanda Velez, MPS.,

It is my joy to welcome you to the Hillside, Nyack College on the Rockland Campus. We at Nyack are passionate about serving our students. We are excited about this New Year as we experience all the Lord would have for each of us here on campus. These are your college years; you will only get to experience them once. As you engage in this new academic year, my prayer is that you exhaust every opportunity and resource Nyack has to offer you.

May you experience on a daily basis life-changing moments as the eyes of your heart are fully illuminated by His Holy Spirit. “Receive from Him, so that you can give unto Him!”

Welcome from Charles H. Hammond,

General Information
HISTORY OF NYACK

Nyack College’s founder is widely recognized as one of the foremost figures in the American missionary movement. Dr. A. B. Simpson resigned a prestigious New York City pastorate to develop an interdenominational fellowship devoted to serving unreached people. Simpson’s view was shared by a wide group of men and women, including mainline church leaders, laborers, and theological scholars. This ever-growing alliance was bound together by a desire to inspire the church to fulfill its Great Commission of world evangelization.

An important step toward making their vision a reality was the founding of the Missionary Training Institute, the first Bible College in North America. This school was the forerunner of Nyack College. Thus, from its beginning in New York City in 1882, Nyack College has been devoted to the concept of education as preparation for service.

Today Nyack College, a fully accredited liberal arts college, continues to fulfill the vision of its founder. Located twenty miles north of New York City, and having branches in New York City and Puerto Rico, it is an educational institution rooted in the historic Christian faith, serving The Christian and Missionary Alliance, the church, the community, and the world. Nyack College seeks to produce broadly educated persons who are prepared for advanced study, careers, and civic responsibility. It is committed to promoting Christian knowledge, moral maturity, and spiritual development in its students, and to preparing them for lives of ministry and service. To achieve these objectives, the institution offers traditional and non-traditional undergraduate programs to a co-educational, ethnically diverse student body. Graduate programs are offered through Alliance Theological Seminary, Alliance Graduate School of Counseling, the Schools of Business & Leadership, and Education.

NYACK COLLEGE MISSION STATEMENT

Nyack College, a Christian liberal arts college of the Christian and Missionary Alliance, seeks to assist students in their spiritual, intellectual and social formation, preparing them for lives of service to Christ, to His Church and to society, in a way that reflects the Kingdom of God in its ethnic diversity.

NYACK ASPIRATIONAL GOALS

Nyack College seeks to exalt Christ and fulfill its mission by being:

- **Academically Excellent:** Pursuing academic excellence in the spirit of grace and humility.
- **Globally Engaged:** Fostering a global perspective within a multi-ethnic and multi-cultural Christian academic community.
- **Intentionally Diverse:** Providing educational access and support to motivated students from diverse socioeconomic backgrounds.
• **Personally Transforming:** Emphasizing the integration of faith, learning and spiritual transformation.
• **Socially Relevant:** Preparing students to serve in ministerial, educational, healing and community building professions.

**STATEMENT OF FAITH**

*We believe:*

There is one God, who is infinitely perfect, existing eternally in three persons: Father, Son, and Holy Spirit. Jesus Christ is true God and true man. He was conceived by the Holy Spirit and born of the Virgin Mary. He died upon the cross, the just for the unjust, as a substitutionary sacrifice, and all who believe in Him are justified on the ground of His shed blood. He arose from the dead according to the Scriptures. He is now at the right hand of the Majesty on high as our great High Priest. He will come again to establish His Kingdom of righteousness and peace.

The Holy Spirit is a divine person sent to indwell, guide, teach, empower the believer, and convince the world of sin, of righteousness, and of judgment.

The Old and New Testaments, inerrant as originally given, were verbally inspired by God and are a complete revelation of His will for the salvation of man. They constitute the divine and only rule of Christian faith and practice.

Man was originally created in the image and likeness of God; he fell through disobedience, incurring thereby both physical and spiritual death. All men are born with a sinful nature, are separated from the life of God, and can be saved only through the atoning work of the Lord Jesus Christ. The portion of the impenitent and unbelieving is existence forever in conscious torment; and that of the believer, in everlasting joy and bliss.

Salvation has been provided through Jesus Christ for all men; and those who repent and believe in Him are born again of the Holy Spirit, receive the gift of eternal life, and become the children of God. It is the will of God that each believer should be filled with the Holy Spirit and be sanctified wholly, being separated from sin and the world and fully dedicated to the will of God, thereby receiving power for holy living and effective service. This is both a crisis and a progressive experience wrought in the life of the believer subsequent to conversion.

Provision is made in the redemptive work of the Lord Jesus Christ for the healing of the mortal body. Prayer for the sick and anointing with oil are taught in the Scriptures and are privileges for the church in this present age.

The Church consists of all those who believe on the Lord Jesus Christ, are redeemed through His blood, and are born again of the Holy Spirit. Christ is the
Head of the Body, the Church, which has been commissioned by Him to go into all the world as a witness, preaching the Gospel to all nations.

The local church is a body of believers in Christ who are joined together for the worship of God, for edification through the Word of God, for prayer, fellowship, the proclamation of the Gospel, and observance of the ordinances of baptism and the Lord’s Supper.

There shall be a bodily resurrection of the just and of the unjust; for the former, a resurrection unto life; for the latter, a resurrection unto judgment.

The second coming of the Lord Jesus Christ is imminent and will be personal, visible, and pre-millennial. This is the believer’s blessed hope and is a vital truth that is an incentive to holy living and faithful service.

COMMUNITY ETHOS
Nyack College is a Christian liberal arts college committed to a Christian lifestyle that is in keeping with the basic behavioral standards of the evangelical tradition.

It is understood that there are many lifestyle issues that are viewed by sincere Christians with contrasting views of acceptance and conviction. What one believer may feel free to do in Christian liberty, another may refrain from as a matter of conscience.

In pursuit of truth and preparation for service, Nyack College challenges students to develop a value system of personal ethics and behavior that will be glorifying to God and most effective in drawing others to Christ.

Because Nyack College serves The Christian and Missionary Alliance and over thirty other denominations, guidelines are established in keeping with the concerns of our broad-based constituency.

COMMUNITY LIFESTYLE EXPECTATIONS FOR ALL CAMPUSES
One of the religion scholars . . . put in his question: “Which is most important of all the commandments?” Jesus said, “The first in importance is, ‘Listen, Israel: The Lord your God is one; so love the Lord God with all your passion and prayer and intelligence and energy.’ And here is the second: ‘Love others as well as you love yourself.’ There is no other commandment that ranks with these.” -Mark 12:28-31, The Message

Nyack College is a Christian liberal arts college committed to a lifestyle that frees us to dwell in the life God imagines for us. As we pursue truth and learn to serve Christ together, we desire that we would be a community of people whose belief
and behavior is inextricably intertwined in order that we might reflect the kingdom of God to the world.

We celebrate that our diversity- ethnic, cultural, socioeconomic, and spiritual - is one of the most powerful ways that our community reflects Kingdom values to the world. We also recognize that this same diversity makes it impossible to establish a set of lifestyle expectations with which every member will agree. Our community lifestyle expectations are intended to create an environment rooted in loving God and loving others, an environment that will nurture the spiritual, intellectual, and emotional growth of each student.

Because each person’s story and spiritual journey is unique, some may feel confined by these guidelines. In turn, many others may find freedom and relief in the same guidelines. Our hope is that students who choose to join the Nyack College community will commit to these expectations as a way of demonstrating their dedication to their own development and to the development of others.

While enrolled in Nyack College, each student is responsible for knowing and adhering to all community lifestyle expectations set forth in the undergraduate student handbook, whether on Nyack College/Alliance Theological Seminary property or off campus.

Finally, no set of expectations, no matter how thoughtfully created or rigorously edited, can be exhaustive. In all things, all members of our community guide their decision-making with two questions, “Is what I am about to do (or ask, or say) loving to God?” and “Is what I am about to do (or ask, or say) loving to others?”

**CAMPUS DIVERSITY**

Nyack College is a community that is comprised of persons from many different denominational, cultural, racial, and ethnic backgrounds, one of the most ethnically diverse among Christian colleges. Living, working, and fellowshipping together in such a diverse community provides a rich environment for personal growth and an excellent preparation for service in an increasingly diverse world. It is also a foretaste of the heavenly blessing the Apostle John saw in his revelation: “I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and in front of the Lamb” (Revelation 7:9).

**NOTICE OF NONDISCRIMINATORY POLICY**

Nyack College admits students of any race, color, sex, age, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the college. Students, faculty, and staff of a varied background make up the College community. Nyack College does not discriminate on the basis of race, color, national and ethnic origin, age, sex, or
disability in admission, participation, or employment in campus programs or activities. The programs are operated in compliance with Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act (ADA), Title VI of the Civil Rights Act of 1964, and all other relevant statutes and regulations.

GRIEVANCE PROCEDURE
Nyack College utilizes a grievance procedure that complies with the Higher Education Act of 1965, Section 494C (j). This procedure applies to all cases dealing with discrimination by race, handicap, or gender, including harassment, or to any other grievance. In no case will any adverse action be taken against a student for filing a grievance. The final determination of each formal grievance will be made by a person or persons not directly involved in the matter. Because different grievance procedures apply to faculty, staff, and students, consultation of the appropriate handbooks is advised.

Students who have a grievance relative to academic policies, grades given, or other academic judgments should first seek to resolve their complaints with the professor. If resolution is not reached, the matter may be directed to the department head or program director of the class in question. If this does not solve the problem, a formal complaint may be made in writing to the respective Academic Dean whose judgment is final.

In the case of a grade dispute, adjustments must be made within 45 days of the close of the semester.

A student who has a grievance relative to any area of student life other than academic affairs should first seek to resolve the complaint with the individual involved (i.e. the RD/RA, the staff person in charge of the area of concern). If such discussion does not resolve the problem, a formal complaint may be made in writing to the Office of the Dean of Students.

LIABILITY
The College recognizes that certain activities voluntarily engaged in by students, such as informal athletic contests, jogging, running, sledding, walking in the woods, and other activities, have some measure of risk involved for the participants. Students and guests who engage in such activities assume the risk of injury or property damage that may result. The College is not responsible or liable for injuries or property damage incurred by students or their guests participating in these and similar activities.
STUDENT RIGHTS

Family Educational Rights and Privacy Act (FERPA)

In accordance with the provisions of section 438 of the General Education Provisions Act 20 USC 1232g - Family Educational Rights and Privacy Act (FERPA) commonly referred to as the “Buckley Amendment,” Nyack College/Alliance Theological Seminary has adopted the following regulations to protect the privacy rights of its students, and to provide students access to their educational records:

I. Educational Record

The student’s primary educational record is located in the Registrar’s Office. Items in the educational record include: the permanent record card, grade reports, admission/application materials, and testing data. Other offices maintain student records pertinent to their respective concerns.

II. Inspection and Review of Records

A. A student may inspect and review her/his educational records upon written request to the Registrar. The request should identify the record(s) the student wishes to inspect. The Registrar will comply within 45 days with notification of the time & place the record(s) may be reviewed.

B. A student has a right to review all documents contained in her/his record except:

1. Evaluations and recommendations, if the student has waived her/his rights to see them.

2. Parental financial records and statements.

3. Documents classified by law as “non-educational.”

III. Charge for Producing Records

There will be a charge of $1.00 per sheet for reproducing records up to a maximum of $10.00 for any single request. The College reserves the right to deny copies of an educational record to a student whose financial account is in arrears.

IV. Challenge of Record

Students, who, after reviewing their record, desire to formally challenge information therein, may request that the record be amended. This request must be submitted to the Registrar in writing and should identify the part of the record the student wants changed, and the reasons for doing so. The Registrar will respond in writing with a decision. If the request is denied, the student may request a formal hearing to be conducted by a committee appointed by the Provost/Vice President of Academic Affairs. The Provost/VPAA will notify the student of the committee’s decision. All records of these appeals will be kept in the Registrar’s Office.

V. Disclosure of Information from Educational Records

The Registrar’s Office will not disclose any personally identifiable information from the student’s educational record without the student’s written consent, except to the following people or for the following purposes:

A. To parents or guardians of students.
1. If a student is claimed as a dependent by either parent/guardian for tax purposes, then either parent/guardian may have access under this provision (34 CFR 99.31(a)(8)). Neither the age of the student nor the parent’s status as a custodial parent is relevant. Nyack will assume that a student not enrolled in the ADCP or a graduate degree program is financially dependent unless the student submits written notification to the Office of the Registrar within 30 days of the start of each term that he or she is financially independent.

2. In the event of serious health concerns such as illness, injury or hospitalization.

3. If a student is under the age of 21, Nyack may elect to notify parents/guardians for disciplinary violations related to alcohol or controlled substances, or when a student is suspended or expelled.

4. In disciplinary matters, parents are notified only after students are determined to be responsible for a violation of Nyack rules or standards. In all matters, the context of individual circumstances is considered when deciding whether to contact parents. When possible, students will be given the opportunity and encouraged to discuss the situation with their parents prior to the institution’s notification (¶ 99.31 (a)15 of the FERPA regulations).

B. To school officials with legitimate educational interests in the information. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

C. To officials of another institution in which the student is currently enrolled or seeks to enroll.

D. To any agency to which the student has applied or from which he/she has received financial aid, or which had made decisions concerning eligibility, amount, condition, or enforcement of the terms of financial aid.

E. To certain educational agencies and institutions as permitted by law.

F. To comply with a judicial order or subpoena.

G. To protect the health or safety of the student or others in an emergency situation.

Nyack may also disclose, without consent, directory information. Directory information is information that is generally not considered harmful or an invasion of privacy if released. Its primary purpose is to
allow Nyack to include this type of information in certain school publications, such as a playbill, yearbook, graduation program, sports activity sheets, etc. Such information includes: the student’s name, address, telephone numbers, e-mail address, date and place of birth, major field of study, dates of attendance, full or part-time status, class schedule, photographs, degrees, honors and awards received, school sports or student activities, weight & height of athletic team members, most recent educational institutions attended, and other similar information. Any student who does not want directory information released must give written notification of such to the Office of the Registrar within 30 days of the start of each semester. The form “Non-Disclosure of Directory Information” is available in the Registrar’s Office.

VI. Right to File a Complaint
Students who believe that Nyack/ATS is not in compliance with FERPA regulations may file a complaint with the U.S. Department of Education. Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW Washington, DC 20202

Parental Notification
Nyack College may elect to notify the parents/guardians of students in the event of serious health concerns such as illness, injury, or hospitalization. The College may also notify parents of students under the age of 21 for disciplinary violations related to alcohol or controlled substances or when a student is suspended or expelled. In disciplinary matters, parents are notified only after students are determined to be responsible for a violation of college rules or lifestyle expectations. In all matters, the context of individual circumstances is considered when deciding whether to contact parents. When possible, students will be given the opportunity and encouraged to discuss the situation with their parents prior to the institution’s notification (§ 99.31(a)15 of the FERPA.)
Student Conduct Expectations
ALCOHOL AND OTHER DRUGS

Because we seek to create an environment that nurtures the spiritual, social, and intellectual growth of young adults, as well as support the physical and emotional well-being of each member of our community, Nyack College is an alcohol-, illegal drugs-, and tobacco-free campus.

In accordance with this policy:

- Students may not consume or possess any alcoholic beverages on campus. Possession of alcohol containers will be considered a violation of this policy. Evidence of alcohol consumption and/or use of marijuana or other drugs (e.g., breath that smells of weed, impaired motor skills or judgment, disruptive, destructive, hazardous, or offensive behavior that can be linked to the consumption) will also be considered a violation of this policy.
- In compliance with the laws of NY State, students who are under 21yrs of age may not drink alcohol on or off campus or be in the company of others who are drinking alcohol or displaying alcohol containers. Underage students who demonstrate evidence of alcohol use, (including, but not limited to breath that smells of alcohol, impaired motor skills and/or judgment) will be subject to sanctioning.
- Students are not permitted to be in the company of others who are using a controlled substance or who are in possession of drug-related paraphernalia.
- Any student who returns to campus in an inebriated state will be subject to sanctioning.
- Any student with a guest who returns to campus in an inebriated state will be subject to sanctioning.
- In compliance with the laws of the Village of South Nyack and the state of New York, public intoxication is not permitted on campus. Public intoxication includes, but is not limited to, parking lots, walkways, classrooms, hallways, and campus roads.
- Alcoholic beverage containers, posters, and other items advertising alcoholic beverages are not permitted anywhere on campus or in conjunction with any activity associated with the College.
- Any use of social media (including, but not limited to Facebook, Twitter, Instagram, Vine, etc.) to show drug, alcohol, or tobacco use will be subject to sanctioning.
- Students cannot for any reason obtain, manufacture, distribute, dispense, possess, or use any controlled substance (a drug or chemical whose manufacture, possession and use are regulated by the government) or drug-related paraphernalia. This includes use or possession of prescription medication by anyone other than for whom the prescription is written. Anyone involved in the sale or distribution of drugs on or off campus may be dismissed immediately and will be referred to local law-enforcement officials.
- Students may not use any substance, even legally obtained, for the express purpose of “getting high.” This policy includes, but is not limited to, the
psychotropic use of cough medicine (DXM), inhalants, prescribed drugs, and herbs.

- The possession or presence of any amount of a controlled substance is prohibited. This includes but is not limited to, the presence of marijuana smoke or odor, small “roach,” or residue found in baggies, bowls, pipes, or other paraphernalia. The possession or presence of marijuana or other controlled substance, including but not limited to paraphernalia such as baggies, pipes, bowls, or bongs, may result, minimally, in suspension.
- Operating a motor vehicle, on or off campus, while under the influence of alcohol or a controlled substance is a serious threat to oneself and the community and may result in immediate suspension, expulsion, or dismissal. Anyone who injures another person as a result of driving under the influence may be permanently dismissed.
- Hosting or in any way assisting or promoting a gathering (on or off campus) that includes underage drinking or drunkenness may result in suspension. Those living at the location where the party is held may be held responsible as hosts regardless of who provides the alcohol.
- Any student who encourages another to consume an alcoholic beverage or use any substance as a means to induce that individual to engage in behavior that would otherwise be against that person’s will is subject to dismissal.
- Any student who sexually assaults or attempts to sexually assault another person who is intoxicated is subject to immediate dismissal.
- The use or possession of tobacco in any form is prohibited by Nyack College Administration on campus as well as within a 1.5 mile radius. This includes smoking, chewing tobacco, dipping snuff, openly displaying tobacco, hookah (hookah pens), hemp, e-cigarettes and advertising tobacco products in any form.

Possession means having the substances or being in the presence of other Nyack College students who are in possession of these substances. This includes, but is not limited to, residences, vehicles, or in another location on or off campus.

It is expected that while students are enrolled in course work, including breaks during their academic career at Nyack College, they will be in compliance with the Alcohol and Other Drugs policy.

NOTE: Upperclassmen who are in violation of the Alcohol and Other Drugs policy, along with any other community standard or policy, will lose their privilege of living in upperclassmen housing.

Sanctions
Violation of the Alcohol and Other Drugs policy may result in sanctions ranging from a letter of reprimand to dismissal. As noted in the Student Handbook, a record of disciplinary sanctions is kept in the Student Development files while the student is at Nyack. In accordance with FERPA, college officials, as well as
parents, will be involved or notified when appropriate. The College will also involve local law enforcement officials when appropriate.

Illegal possession, use, or distribution of illicit drugs, or illegal use or possession of alcohol is punishable under applicable local, state, and federal law. Penalties include stringent fines, loss of driver’s license, loss of possessions obtained through the profits of or used in the sale or distribution of illegal drugs, and/or imprisonment. Students should also be aware that Title 21 of the U.S. Code, § 845A, provides for increased penalties for those persons who manufacture, sell or distribute narcotics, controlled substances and marijuana within 1,000 feet of a public or private elementary school location or secondary school or public or private college, junior college or university.

Any student who is convicted of violating a criminal drug statute is required to notify the College, including the Student Financial Services Office, within five days of the conviction (including pleas of “guilty” or “nolo contendere”).

**Help in Overcoming Alcohol and Other Drug Abuse**

Students who find that they are struggling with alcohol and other drugs, their use, and the role it plays in the life that God imagines for us are encouraged to seek help under the “Coming Forward Policy.” For students who seek help for substance abuse problems, complete confidentiality will be observed to the limit of the law. Confidential counseling and treatment are available to students through campus Health Services and Counseling Services or by referral to appropriate agencies off-campus. Please contact Counseling Services for more information.

**ATTIRE**

At Nyack College we seek to provide and encourage a personal and academic experience where focus, respect and pride are always on display. One way to enhance the personal and academic experience, without causing a lack of focus and respect is through a dress code. Personal appearance is important and Nyack College students should dress neatly, appropriately, modestly, and tastefully.

The College also requests of parents and friends that they support and observe dress regulations when they are on campus. Students are encouraged to demonstrate by their dress and appearance a mature Christian attitude and the ability to discern propriety. The College also seeks to prepare students for professional careers where certain standards of dress are required for employment. Part of the educational process, then, is learning to dress appropriately. The following standards and guidelines will assist students in making decisions about their dress and appearance on campus, in class, in Chapel and at all college-sponsored activities, including athletics and formal events. The items mentioned below are not to be worn to classes Monday-Friday from 8am-9pm or anywhere on campus.

This includes Under Armor apparel or any other athletic garment of this nature.**

• Clothing should not depict alcohol, tobacco products, drugs/drug paraphernalia, or depict lewd, obscene, pornographic, sexually suggestive, racially or sexually degrading, satanic, occult, or gang-related activities.

The purposes for enacting such changes are to ensure that we prepare you for professional workplace attire. The Mission of Nyack College is to provide a holistic approach to growth and learning. This preparation takes place in many aspects, the least of which is professional dress. Dressing for success is not just a suggestion in practice to start your career, but practice in displaying respect for your career and those that you come in contact with on a daily basis.

**Athletic garments like Under Armor or any spandex is only to be worn on campus while engaging in athletic activity or the field of play. Once the activity is over, it is your responsibility to have a change of clothing that is in line with Nyack College policy.**

BEHAVIOR IN CAFETERIA

Students are expected to follow the rules and regulations set by the cafeteria staff. There are certain realistic expectations that are set that if violated would bar you from restaurant establishments.

Nyack College students are expected, but not limited to:
• Show valid Nyack college identification to gain access to the cafeteria.
• Pay for said students own meal, using proper ID card.
• Not fill up outside beverages containers.
• To clean up the table that they or their guests were sitting at prior to vacating the premises.
• Show respect to cafeteria staff, and refrain from disrespectful or abusive language.

The violations mentioned above, as well as any other violations of college policy to take place in the cafeteria, may result in loss of cafeteria privileges, as well as disciplinary sanctioning. Loss of cafeteria privileges will be determined by cafeteria staff and upheld by the Student Disciplinary Committee.

CARE OF COLLEGE PROPERTY

Students are liable for damages they cause to college property. Damage to college property that is a result of vandalism, tampering, other intentional destruction, or student-initiated pranks will result in an assessment for labor and materials costs for replacement and/or repair of the property, and referral to the college discipline process. College property may not be removed from its designated place for any reason without proper authorization.

Unauthorized removal of such property will result in the responsible student being charged for the replacement cost of the removed item and may be subject to additional disciplinary sanctions.
Antennae and satellite dishes may not be erected either in the attics or on the ceilings/walls of any building.

**CARE OF PERSONAL PROPERTY**
The College is not responsible for loss of, theft of, or damage to students’ personal property. Students are responsible for their possessions while on college property and are encouraged to utilize laptop locks and other devices to safeguard their property while using college facilities. The College advises that students carry their own theft and casualty insurance. Often such coverage may exist in parents’ homeowners’ policies or may be added for an additional fee to existing automobile insurance plans. The College cannot be held responsible for theft, vandalism or damage done to vehicles.

**CODE OF CONDUCT FOR SPORTS SPECTATORS**
NCAA Code of Conduct: The NCAA promotes good sportsmanship by student-athletes, coaches and spectators. We expect your cooperation by supporting all those participating in this competition in a positive manner. Profanity, racial or sexist comments, or other intimidating actions directed at student-athletes, coaches or officials will not be tolerated and are grounds for removal from the site of competition. Nyack College students may be the only example of Christ that opposition schools ever see.

Therefore:

1. **As spectators, we will refrain from booing or yelling at officials during a game, because we are aware of the following:**
   - Such behavior on our part sets a poor example of sportsmanship and our Christian witness.
   - Such behavior reflects negatively on our community, our team, our players and ourselves.
   - If officials do make incorrect calls during a game, the following circumstances usually apply: The number of poor calls usually balances out for both teams. No one is perfect. The officials don’t have the same observation point afforded spectators sitting in the bleachers. An occasional incorrect call seldom affects the outcome of the game. There are more effective channels for correcting poor officiating than verbal abuse during the contest.
   - One warning may be given; further actions will result in removal from facility and/or disciplinary actions.

2. **During a game we will refrain from yelling at players on either team, because we are aware of the following:**
   - They are young people, not sports professionals, who due to limited playing experience and great enthusiasm may make mistakes.
   - Encouragement and praise should be made in public, and constructive criticism is best made in private.
• The coach is the best equipped to analyze and correct deficiencies in sports skills. Our attempts to be helpful in this respect may only confuse the players.

• The golden rule applies: treat other players with the courtesy, respect and consideration which we want other supporters to show our players.

3. **At athletic events we will refrain from being argumentative or using abusive language toward supporters of players on the opposing team, because we are aware of the following:**

• We are being judged by our actions and our words. We will always strive to insure that the result of this judgment is the verdict of sportsmanship.

• We will conduct ourselves in such a courteous and restrained manner, that if called upon to do so, we could line up in front of the bleachers after the game and shake hands with each supporter of the opposing team in the same way the players are expected to do after each contest.

4. **If our team loses, we will demonstrate our ability to cope with the loss in both deed and word, because we are aware of the following:**

• In athletics, as in other aspects of life, it is not always possible to win, no matter how supreme the effort.

• When victory eludes us, we must learn to accept it as graciously as we do our triumphs.

• It may just be possible that a loss is due to the fact that the opposing team played the game better than our team.

• The real purpose of sport competition is to have fun, to be able to participate to improve skills, to learn sportsmanship, to develop a sense of responsibility and self-discipline, to develop a group loyalty and comradeship, to learn to compete within established rules, to accept decisions of authorized officials, to seek interpretation or change through the proper channels, and to develop sound minds and bodies.

**NOTE:** Students who choose to violate this code of conduct will be subject to college disciplinary action and may be referred to local law enforcement authorities.

**CYBER-BULLYING POLICY**

• Cyber-bullying involves the use of information and communication technologies (i.e. cellular phones) to support deliberate, repeated, and hostile behavior by an individual or group that is intended to harm others.

• The Information Technology System of Nyack College imposes certain responsibilities and obligations, and is subject to College policies, and local, state, and federal laws. In making appropriate use of Nyack College computing resources students are not permitted to use mail or messaging services to harass, intimidate, or otherwise annoy another person, for example, by broadcasting unsolicited messages, or sending unwanted mail.
If the Student Development Office and/or Dean of Students is made aware that cyber-bullying/harassment is taking place through the use of Nyack College Information Technology Services, and/or personal technological devices, such actions will result in but are not limited to: judicial sanctions, Residence Life probation and in some cases housing termination and suspension/expulsion from Nyack College. The disciplinary actions taken by Nyack College does not shield from any criminal charges that may be taken against the harasser.

DANCING
Nyack College has a stance of No Social dancing.
To be specific:
- No Clubbing
- Students are not to host, in any way assist or promote a party/gathering (on or off campus) that includes dancing. Those living at the location where the party is held may be held responsible as hosts.

Exception:
When the occasion is consistent with celebrations, rituals, or religious traditions (i.e. weddings, etc.) associated with family or a host family. Nyack College has reserved the right to permit social dancing on campus in the following formats:
- Folk dance, ethnic games, and the use of choreography in drama, musical productions, worship and athletic events.
- Nyack College Sponsored Dances: Dances at Nyack College, including the selection of music, should be done in a way that upholds the scriptural principles of modesty and respect for others.

All dances will be approved, planned and implemented in consultation with the Dean of Students. Students will be held responsible for their own and their guest’s behavior/actions and violations will be sanctioned accordingly within the college judicial system. Dances may have specific behavioral expectations that are more stringent than the guidelines currently in the student handbook (for example, a more specific dress code may be put into effect). In the case of changes to the behavioral expectations, students and their guests will be notified in advance of the event and will be expected to comply with any changes in guidelines.

DISRUPTIVE OR DANGEROUS BEHAVIOR POLICY
In the spirit of pro-active concern and care, Nyack College is committed to maintaining a safe living, working, and learning environment for students, faculty and staff. The College recognizes that situations may arise where a student’s behavior is a potential threat to self or others, or where a student’s behavior significantly disrupts the ability of other students, faculty, or staff to participate in educational programs, living environments, or employment opportunities.
Disruptive behavior may or may not include actions which lead to voluntary or involuntary hospitalization.

We will define Disruptive Behavior as:
1. Behaviors that interrupt or impair a student, faculty, or staff member’s ability to carry out their daily activities and responsibilities. Such disruption may be in the form of a single behavioral incident or a series of incidents.
2. Disruptive behavior includes, but is not limited to, students whose behavior potentially may deteriorate to the point of serious harm or dysfunction without assessment, intervention or treatment. When standard assessment is impossible because of the student’s resistance, behavioral observations will constitute the basis for such judgment.
3. Students may be administratively removed from student housing assignments, or have disciplinary sanctions imposed as a condition of continued classroom attendance or participation, in situations where their behavior is considered by the university, at its sole determination, to be:
   a. Potentially dangerous to themselves or others.
      a. Danger to self or others includes, but is not limited to: excessive use of alcohol, misuse of prescription medications or illegal drugs, gestures or threats of harm to self or others, suicidal ideation or behaviors, self-mutilation, violence or threats of violence, or assaults.
   b. Significantly disruptive to others, but not an immediate threat to self or others.

**Implementation**

If a student’s behavior is determined by the College to be detrimental to themselves or the Nyack College community, the College reserves the right, at its sole determination, to administratively intervene and impose conditions designed to enhance the student’s opportunity to succeed at Nyack College, or to remove the student if the College deems appropriate, and to minimize disruptive influence on the College community.

These measures may include but are not limited to: mandatory mental health or alcohol/drug assessment/evaluation, adherence to a treatment plan, removal from or reassignment within student housing, committing to a growth contract, or mandatory administrative withdrawal from the College. A growth contract is an agreement between the Office of Student Development and the student, in which certain specified conditions must be met as a condition for the student’s continued participation at the College, or the student’s return to the College after withdrawal.

Students who are disruptive, but not a threat to self or others, may be referred to Counseling Services and may be subject to the university disciplinary process.
ENTERTAINMENT

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable - if anything is excellent or praiseworthy - think about such things.

–Philippians 4:8

Entertainment plays a huge role in our culture and in the lives of most college students. Our choices in entertainment have the potential to both reflect and shape our character. We encourage students to think carefully about their entertainment choices in terms of content and in terms of the stewardship of their time and money. We ask that students use the following specific questions to evaluate the potential impact of all media choices:

- Does the primary theme encourage or celebrate vices like sensuality, selfishness, or violence?
- Does the music, movie, or television program help you to ask meaningful questions about life?
- Is sexual promiscuity promoted, encouraged, or used for the sake of humor?
- Does the message of this media show a respect for humanity and human life or is violence used gratuitously?
- Does it glorify the use of profane and demeaning language or include excessive crude or obscene language?

Students may not own, maintain in their possession, or view any sexually explicit video games, music videos, X or NC-17 rated or un-rated programming or videos. If found; these materials will be confiscated.

Because copyright laws prohibit the public viewing of movies without “clearance or license for its performance” (17 U.S.C. § 110(1)), videos or DVDs may not be viewed in any public areas on campus except at officially sanctioned college events, where the intent is primarily instructional, and not for recreation or entertainment purposes. Therefore, it is prohibited to connect a video or DVD recorder or player to any college-owned or privately owned television in a public area. Students may view movies with friends in their rooms.

FIREARMS, WEAPONS AND PROJECTILES

Unauthorized possession or use of the items listed below is prohibited on the campus. Those persons with a special need regarding the storage or possession of a prohibited item should contact the Campus Safety Department BEFORE bringing the item onto campus property.

Prohibited items (Section 265 of the Penal Code) include, but are not limited to:
- All types of firearms or realistic models of firearms
- All types of “BB” guns, pellet guns, paint ball guns or any similar type of device
- Stun guns
- All types of ammunition or ammunition materials
- Bows, crossbows, arrows, crossbow darts
• Swords, spears and similar types of stabbing or cutting weapons
• Any knife, except a butter knife, with a blade over four inches in length
• All types of police batons, “nightsticks”, or “Billy clubs”
• Switchblade knives, gravity knives, pilum ballistic knives, daggers, blackjacks, metal knuckles and any form of lead “sap” device, including sap gloves
• All types of slingshots
• All types of Chemical Mace, pepper mace, and other similar type material, except for the purpose of personal defense. Nyack College understands that some of these materials may be legal in the state of New York. However, the College believes that the potential for the misuse or accidental discharge of these devices outweighs the minimal protective value that they represent. Other less intrusive yet highly effective devices are readily available. An example of such an item is an electronic personal alert alarm. Contact the Campus Safety Department for more information on personal defense options

FUNDRAISING SALES BY STUDENTS
Officially sanctioned student campus organizations (or activities) that wish to sell products or services for fundraising purposes on campus must receive approval, for the Rockland Campus from the Director of Student Activities, and NYC campus approval from the Dean of Students prior to advertising or selling.

Commercial solicitation by students is prohibited on campus grounds. Commercial solicitation is defined as the promotion or sale of products, merchandise or services for the personal benefit or profit of individual students or a group of students. Promotion includes the distribution on campus of advertising materials, e-mails, and telephone solicitation.

GAMBLING
Gambling (the exchange of money or goods by betting or wagering, which includes, but is not limited to, sports pools, most raffles, playing cards for money, and online activity) is an unwise use of God-given resources and can become a psychologically addictive and harmful behavior in some people. Therefore, all types of gambling are prohibited on the college campus. Students who engage in gambling activities on campus will be subject to disciplinary action and, in cases where such activity is illegal under New York State Law, may be referred to local law enforcement authorities.
GOOD NEIGHBOR POLICY

Expectations
All students who have been extended the privilege of living on and off campus remain members of the Nyack College community. They are obligated to honor their commitments to Nyack’s Community Lifestyle Expectations as outlined in the Off-Campus Housing Application and the current student handbook. In addition to these college standards, off-campus students are also required to abide by the local laws and ordinances of their communities. It is expected that all students living on and off campus will be good ambassadors of Christ and Nyack College.

In addition to representing Nyack College, as members of this Christian community, we are called to be “salt and light” in the world - this includes our local communities. As such, it is expected that all students will be good neighbors, respectful and considerate of the rights and needs of neighbors, always being sensitive to issues regarding noise, parking, guests, upkeep of dwelling, etc. With regard to these and other “courtesy issues,” it is expected that all students living on and off campus will always defer to the needs of their neighbors in addition to obeying all state and federal laws and local township ordinances. The use, possession, and/or distribution of illegal drugs and tobacco are prohibited for Nyack College students living on or off campus while enrolled during the academic year (see Alcohol and Other Drugs Policy). Hosting or in any way assisting or promoting a gathering (on or off campus) that includes underage drinking or drunkenness may result in suspension. Those living at the location where the party is held may be held responsible as hosts regardless of who provides the alcohol.

Off-campus students are responsible for the behavior of their guests. It is also expected that off-campus students will abide by the Sexuality and Relationships policies outlined for all Nyack College students.

Trespassing is “unlawful entry, unwarranted or uninvited incursion,” as defined by Webster’s Dictionary. All students are expected to refrain and honor state law and college expectations concerning trespassing. Violation of this policy on or off campus will result in a disciplinary hearing and sanctioning upon determination of the hearing.

HARASSMENT
Nyack College will not tolerate any type of sexual offense committed by students, faculty, staff or any individual not belonging to the campus community. Sexual offenses in the State of New York are outlined under Article 130 of the NYS Penal Law. Of particular note is the definition of the term, “sexual contact – any touching of the sexual or other intimate parts of a person not married to the actor for the purpose of gratifying sexual desire of either party. It includes the touching of the actor by the victim, as well as the touching of the victim by the actor,
whether directly or through clothing.” Committing such offenses can result in lengthy terms of imprisonment and civil action.

HAZING AND PRANKS
All hazing is prohibited, including hazing for engaged couples, Freshman class initiation, athletic teams, personal harassment and all unauthorized physical activities related to initiation. According to New York Penal code S120.16 to 120.18, hazing occurs when “in the course of another person’s initiation or affiliation with any organization, he or she intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or third person.” Under New York State Law, hazing carries a $1,000 fine and a prison sentence of up to one year. Students participating in hazing will be subject to college disciplinary action and may be referred to local law enforcement authorities.

INFORMATION TECHNOLOGY EXPECTATIONS

**Communications**
As a Christian institution of higher learning, how we communicate with one another is a primary focus of our college community. To this end, the College has developed communication expectations, procedures, and general guidelines for student use.

In addition to direct means of communication (person-to-person and telephone), the College provides for and expects all students, both residential and commuter, to use these four primary means of internal campus communication: campus mail, electronic mail, voice mail, and the college website. All students are required to set-up and maintain both a campus mailbox and a campus e-mail account.

Official campus communication may be sent by any and/or all of these means. All students are expected, on a regular basis, to accept their mail communication (campus, electronic and voice) within a reasonable time period from the date of receipt. Under normal circumstances a “reasonable time period” is defined as 2–3 business days. The term “accept” is defined as reading campus and electronic mail, and listening to voice mail.

**Computer Etiquette**
Computer labs are deemed places of student learning and not student lounges for socialization. As such cell phones and other electronic devices should be silenced while in lab.

Cell phone conversations are to be taken out of the lab immediately.

Conversations concerning class work should be kept to a low volume and as brief as possible. All prolonged conversations should be taken out of the lab.
Food and drink items are prohibited in the lab in order to maintain the lab in a serviceable condition. The potential of damage to computers, desks, seating and carpet is significant.

A student using the lab agrees to be observed and recorded via camera and that such recordings may be used to determine validity of reported infractions. Inappropriate behavior or violations of computer lab rules will result in the loss of computer account privileges.

**Computer Use**

Nyack College provides faculty, staff and students with access to network and computing resources as an integral part of the education environment. Users should do so responsibly and consistently with the Nyack mission and objectives. Nyack reserves the right to define and to enforce appropriate regulations to ensure that the use of these resources is consistent with Nyack’s mission. Use of these resources is a privilege, not a right.

As a community that yields to the leadership of Jesus Christ, Nyack expects responsible use of technology by both students and employees. The following policies help define what is meant by responsible use of computer-related technology and complement the values of Nyack. Users of Nyack’s accounts are acting as representatives of Nyack and, as such, should act accordingly to uphold Nyack’s character and reputation.

**Permitted and Appropriate Use**

Access to computing facilities is a privilege granted solely to faculty, staff, and registered students. Users must act responsibly and maintain the integrity of these resources. The regulations and guidelines stated here refer to all access and usage of Nyack College’s computers, internet, network and e-mail. Usage must comply with federal, state and local telecommunications and networking laws and regulations.

Usage must be ethical, reflect academic honesty, reflect community lifestyle expectations, respect the rights of other users, respect all pertinent license and contractual agreements, and show restraint in the consumption of shared resources.

Occasional and reasonable personal use is permitted, provided that it does not interfere with the performance of work duties and responsibilities. Nyack’s internet services may be used for personal improvement, outside of scheduled work hours, provided that such use is consistent with this policy.

An account owner may not lend her/his account(s) to another user. All accounts are required to be protected from unauthorized access by the use of a password. Each user is responsible and liable for all computing activities involving their account. Usage of computer resources is a privilege and not transferable or extendible by members of the college community to people or groups outside the College without the written approval of the Information Services Department. An
employee is sometimes given access to confidential or privileged information relating to the institution, students, or other employees. Employees must respect the confidentiality of all information. They must neither divulge confidential information without appropriate consent nor seek to obtain access to information to which they are not entitled.

**Prohibited Use**

*Examples of misuse include, but are not limited to:*

Unauthorized use of a computer or network. Obtaining a password for a computer account without the consent of the account owner. Attempting or accessing any account or data not personally owned, regardless of intent and whether or not the material is protected. The only exceptions are for access specifically authorized or assigned by the owner. Attempting to monitor or tamper with another user’s electronic communications, or reading, copying, changing, or deleting another user’s files or software without the explicit agreement of the owner. Any use of the institution’s computers, internet, or network to gain improper access to or make improper use of computer systems elsewhere. Sharing information or providing other means of access, encouraging or even enabling use of the institution’s computers by anyone not a current faculty member, staff member, or student of the institution. Performing an act that interferes with the normal operation of computers, terminals, peripherals, or networks. Copying, moving, removing or altering hardware, networks and software owned or under license by the institution except by staff of Information Services. Running or installing on any computer system or network, or giving to another user, a program intended to damage or to place excessive load on a computer system or network. This includes but is not limited to programs known as computer viruses, Trojan horses, and worms. Forwarding e-mail chain letters or spamming e-mail accounts from Nyack College’s e-mail services or institution machines. Attempting to circumvent data protection or uncover security loopholes. Violating terms of applicable software licensing agreements or copyright laws. Deliberately wasting computer resources and consumables. Masking the identity of an account or machine. Posting materials on electronic bulletin boards that violate existing laws or the institution’s community lifestyle expectations. Using the institution’s computers, internet, or network for unlawful activities, commercial purposes not under the auspices of the institution, personal financial gain, gambling, political solicitation or personal use inconsistent with this policy. Using the computers, internet, or network to plagiarize or cheat on an exam, paper or other assignment.

Activities are not considered misuse when authorized by appropriate institution officials for security, performance testing or to promote the general welfare of the college community.

**Respect for Community**

Users are required to behave in their use of the technology in a manner consistent with mature Christian behavior and the institution’s community lifestyle expectations, as well as federal and state law.
The creation and sending of e-mail or other messages that harass, slur, embarrass, demean or are otherwise harmful is unacceptable. Standards embraced by this Christian community are well known. Usage of the institution’s computers, internet, or network for viewing, accessing, downloading, saving, receiving, or transmitting racist, pornographic, harassing, threatening, violent, or otherwise offensive material is unacceptable. This applies to any screen display, printing, or the transmission of images, sounds or messages. Any user, student or employee, caught accessing such material will be appropriately disciplined. Promoting discrimination on the basis of race, gender, national origin, age, marital status, sexual orientation, religion or disability is unacceptable.

Confidentiality and Privacy
The institution gives best effort to keep its systems and data secure. Users should have no expectation of privacy while using institution-owned or institution-leased equipment. Information passing through or stored on institution owned equipment can and will be monitored. Instant messaging and email passes over the internet and through Google maintained servers and cannot be considered a secured system that would protect personal information. Nyack College maintains the right to monitor and review internet use and e-mail communications sent or received by users as necessary (i.e., for troubleshooting, retrieving business-related information, legal requests, etc.).

Confidential information relative to personnel matters, internal investigations and litigation should not be transmitted. Extra copies of all data are kept in the routine process of backup. Deletion of on-line files by a user does not mean that no other copy remains.

Respect for Ownership and Copyright
All hardware purchased by the institution remains its property. The material contained in those systems is also the property of the institution with the exception of software, which remains the property of third parties while used by the institution under the provisions of licenses and copyrights. Keeping, using, copying, sharing or distributing software, images or other tangible or intellectual property which one neither owns nor for which one has a valid license, is in violation of copyright and is unacceptable. No improperly gained material is to reside on institution computers; if discovered it will be removed. The institution’s policies on plagiarism apply to uses of the computers and network in course assignments.

Respect for Resources
Users must be reasonable with regards to impact on all other users. If conflicts of resources arise, priority is given to academic and administrative work.

Users must show regard for the resource by routinely removing duplicate or unnecessary files, or seeking off-line means of storage. Generating chain letters or sending broadcast messages beyond the institutions distribution lists is unacceptable. In public areas such as labs, installing software not owned by the institution and leaving personal files on
internal disks are unacceptable. Staff removes all such materials from public machines without notice. Users are expected to save paper. Users provide their own paper for personal printouts, and the institution reserves the right to charge direct fees for paper use in public labs. Users may send and receive e-mail attachments that do not exceed 25 MB in size, provided that all attachments are scanned before they are opened by Nyack College’s chosen antivirus software. E-mail box capacity is set to 30 gig. E-mail messages should be regularly archived by the user. The administrators of the institution’s e-mail facility may, within certain limits, block incoming e-mail including unsolicited bulk e-mail or “spam.”

**Web Blocking**

The institution blocks access to web sites categorized as blatant pornography and hatred. The assignment or release of web sites from various categories is within the control of the institution. There is a lack of any technical means to guarantee the total absence of objectionable material from the campus network. Therefore, all members of the community are encouraged to diligently avoid pornographic material and hate sites.

**Policy Violations and Sanctions**

Computer usage is not an individual right but rather a privilege and users must conform to the guidelines and standards in this policy. Users must cooperate with Information Services in its operation, as well as in the investigation of misuse or abuse.

Persons who feel they are the target of violations are encouraged to bring their concern to the Information Services Department. Persons who discover an unauthorized use of their account should immediately report it to the Information Services Department. Persons who observe any loopholes in the security of the systems should report it to the Information Services Department.

Use of computer systems is monitored and recorded by authorized staff members to safeguard security and smooth operation. The institution may respond to violations of this policy as it deems appropriate. Responses include: investigation and confrontation of violators, suspension of privileges, referral to the judicial process, termination of employment (staff) or expulsion (students), prosecution, and/or civil action. The institution is not responsible for defending users against litigation arising from conduct or content that violates policy.

Violations will be reviewed on a case-by-case basis. Then Information Services may, as deemed necessary (and with appropriate approval), disable the account and turn all pertinent information over to the individual’s immediate supervisor (faculty/staff) or the Dean of Students (students). The Dean of Students determines disciplinary actions in matters involving students. Disciplinary actions involving staff members are governed by the procedures set out in the institution’s personnel policies. The Vice President for Academic Affairs determines appropriate actions taken in situations involving faculty members. Individuals
who disagree with an administrative decision may submit an appeal to the appropriate office as outlined in the appropriate handbook.

This policy may be updated and modified from time to time. The latest approved version of this policy will be posted on the Nyack website at www.nyack.edu/it/.

SEXUALITY AND RELATIONSHIPS

“In Him we live, and move, and have our being.”
-Acts 17:28

God creates us for community and connection. God is constantly reminding us that we - our bodies, our minds, and our spirits - are created for relationship with Him and relationship with each other. One of the ways the rift between ourselves and our God manifests itself is in tangled, distorted, and altered perspectives of our sexuality and the roles of physical and sexual intimacy. In the context of marriage for which it was created, sex is a celebration of physical, spiritual, and emotional intimacy and unconditional love between two people who have made a covenant to live together in marriage, and live life “with and for each other” for the remainder of their time on earth.

As a Christian and Missionary Alliance institution, Nyack College affirms the biblical guidelines that sex without marital covenant and commitment (which we affirm to be only within the context of a faithful heterosexual marriage between a man and a woman – see the creation account in Genesis 2; also see Paul’s teachings in 1 Corinthians 7 and Ephesians 5; see also the Christian and Missionary Alliance H-7 at www.cmalliance.org/about/beliefs/perspective/homosexuality) is just a physical transaction - no more capable of mending the broken places than a slap in the face. Yet, we live in a world that celebrates casual sex and human conquest as normal and necessary.

The Word of God also identifies character qualities and actions that should not be present in the lives of believers such as abusive anger, malice, jealousy, lust, sexually immoral behavior (including premarital sex, adultery, and homosexuality), impure desires, greed, idolatry, slander, profanity, lying, drunkenness, thievery, dishonesty, and prejudice based on race, sex, or socioeconomic status. We desire to be a Kingdom community - a people that recognizes our need for others and honors that connection in ways that create cohesion instead of division. In light of this desire, it is our policy that:

- All students are to respect the personal boundaries of others, including levels of comfort with touch. A good guideline for most friendships is touch that would be appropriate within a healthy sibling relationship.
- Students in dating relationships are expected to uphold our standard that all sexual activity (including but not limited to sexual intercourse) is reserved for the marital relationship between a husband and a wife and are
to refrain from participation in such activity, seeking counsel and accountability from mentors, wise friends outside the relationship, and scripture as a means of upholding this standard. In addition, couples are to keep in mind the sensitivities of others and biblical standards of intimacy when showing public displays of affection, which includes extended kissing, intimate embracing and cuddling, sitting on each other’s laps, sleeping on top of each other, etc. This behavior is not to be displayed by any Nyack College student in any public setting. **Please note that administrators, faculty, staff, and the student life personnel are instructed to correct and counsel couples in this regard.**

- Students who are married are to uphold our standard that all physical, emotional and sexual activity is to be reserved for the marital relationship between a husband and a wife only. Marital fidelity is expected of all married couples. Physical, emotional and sexual involvement with anyone that is not your spouse will not be tolerated. As those in dating relationships, married couples are to keep in mind the sensitivities of others and biblical standards of intimacy when showing public displays of affection, which includes extended kissing, intimate embracing and cuddling, sitting on each other’s laps, sleeping on top of each other etc.

- Only married students may share beds (on or off campus) and living accommodations (off campus). Unmarried students may spend the night in the residence of a member of the opposite sex (off campus) only if a parent or guardian is present. Unmarried students are only permitted to visit the on-campus residence of the opposite sex in accordance with residence halls policies pertaining to [open dorm](#). Under no circumstances should unmarried students spend the evening in the on-campus residence of the opposite sex.

- Students are to refrain from using, possessing, distributing, or supporting pornography, pornographic materials, or materials that objectify men or women in any way, including, but not limited to: movies and television programs, video and computer games, print materials (books, magazines, comic books, photographs), and posters. This includes the use of the College’s computing and networking resources in the viewing or communicating of inappropriate materials in any form.

- We encourage students who struggle with issues of sex and sexuality to come forward for support, guidance, and wise counsel. Students who choose to live outside these expectations will be confronted and are subject to disciplinary action. As with all disciplinary matters, the College seeks to be redemptive and restorative in the lives of the individuals involved.

- When an unmarried student becomes pregnant, the College seeks to respond in a redemptive manner. Both the father and the mother of the child are to be treated equally. Proper prenatal care is considered essential, as are appropriate emotional and spiritual supports. Because the College places an inestimable value on the health and wellbeing of the mother, father and child, students who are dealing with a pregnancy are strongly
encouraged to disclose the pregnancy to the Dean of Students under the “Coming Forward” policy.

Any questions regarding this policy should be directed to the Office of Student Development.

SOCIAL NETWORKING POLICY
Students accessing “social networking services” such as Facebook, Twitter, Instagram, Tumblr, etc. should carefully read the terms and conditions set forth by such services. Students are solely responsible for the content of their sites. Neither Information Technology System nor Nyack College assumes any responsibility for what students place here. Inappropriate material placed on social networking sites is subject to Nyack College’s Information Technology Expectations, the Student Disciplinary Process and the College’s Harassment and Grievance Procedures.

In addition to violation of College Policy, the posting of inappropriate material may subject students to criminal and civil penalties. As referenced in the terms and conditions of these networking services, students should refrain from posting material that is deemed to be criminal; harassing; racially, sexually, ethnically or religiously objectionable; defamatory; obscene; invasive of another’s privacy; or infringing of copyright.

SOLICITATION OF INVOLVEMENT AND/OR FUNDS
The solicitation of student involvement for events and organizations contrary to the standards of Nyack College is prohibited. The Vice President for Admissions & Marketing must approve any solicitation of funds from within the college community.

THEFT
Unauthorized removal of either personal property belonging to someone else or college property will be considered theft and subject to criminal investigation by local law enforcement authorities, as well as the college disciplinary process. This policy extends to acts of theft that take place on or off campus; if the college is made aware, any violator will be subject to the disciplinary process.

VIOLENCE-FREE CAMPUS
All students, staff, and faculty at Nyack College have the right to live, work, study, and grow in an environment free from all forms of violence, whether physical or psychological. As kingdom people, members of the Nyack College community are responsible to foster this environment by reporting any behavior in violation of this policy immediately to appropriate authorities, including
Campus Safety Officers, Residence Life Professional Staff, and/or the Dean of Students’ Office.

“Campus environment,” in this case, refers to all property owned or used by the College, as well as all environments where campus activities such as athletic events, off-campus study trips, and student activities take place. All students, staff, faculty, and visitors to Nyack College are subject to this policy.

The following types of behavior can contribute to an environment that feels unsafe and threatening, will not be tolerated, and will be subject to disciplinary sanctions, including, but not limited to, immediate interim suspension from the College, pending a disciplinary hearing. Some actions may also be subject to criminal prosecution:

- Written, verbal, or physical intimidation, including, but not limited to: any act which intends to frighten or coerce, or interfere with a person that prevents that person from conducting her or his customary affairs, or puts that person in fear for her or his safety;
- Disruptive behavior, including, but not limited to: physical assault or threats of physical assault, whether written or verbal and/or any behavior “characterized by unrest or disorder or insubordination” that causes disruption to the day-to-day operations of the campus environment;
- Use of profanity and/or language, offensive statements, materials, or gestures (whether by mail, electronic communication, or personal encounter) that defames the character, dignity, or respect of an individual, ethnicity, or culture;
- Failure to comply with directives of college officials carrying out their assigned duties, including failure to accurately identify oneself when asked by any member of the college staff, faculty, administration or contract employees;
- Possession of hazardous or dangerous materials and/or weapons;
- False reports of fire or other dangerous conditions;
- Creation of a fire hazard or other dangerous condition;
- Bribery or extortion, including any attempt, whether direct or indirect, to persuade others using written, verbal, or physical threats;
- Sexual harassment, assault, or any uninvited behavior of a sexually explicit nature;
- Stalking;
- Any other activity which interferes with campus safety, civility, or environmental health.

Confidentiality:
Confidentiality of complaints and parties will be preserved to the greatest extent possible, understanding that the College may have an obligation to take some action even if the complainant is reluctant to proceed. Parties and witnesses to a complaint are also expected to maintain confidentiality of the matter, understanding that they will often not have all the facts and that they could impair
the investigation by divulging information to persons outside of the investigatory process.

**Hostile Environment Harassment:**
Hostile Environment Harassment is the most common kind of harassment. It occurs when repeated offensive behavior or comments create an unpleasant or intimidating environment. This includes offensive statements, materials or gestures (whether by mail, electronic communication or personal encounter) that defame the character, dignity or respect of an individual, ethnicity or culture. Such behavior will not be tolerated and will be subject to disciplinary sanctions. Hostile Environment Harassment may also involve sexual comments or inappropriate touching on a one-time basis.

**Non-Retaliation and False Claims:**
The College prohibits retaliation against persons who in good faith report violations of this policy or cooperate in an investigation. The College also prohibits the filing of knowingly false or misleading reports and providing knowingly false or misleading information in an investigation. Discipline or other action can result from either of these acts in violation of this policy.

**Sexual Assault and Date Rape:**
Sexual assault and date rape are extreme forms of sexual harassment. The use of threat or force to obtain sexual contact, including sexual intercourse, includes any of the following: (1) any intentional, nonconsensual touching or threat or attempt to touch an intimate body part of another person; (2) unwanted, inappropriate disrobing of another person or purposeful exposure of one’s genitals to another; (3) forcing, or attempting to force, any other person to engage in sexual activity of any kind. By definition, a person who is intoxicated, unconscious, mentally impaired, or threatened is unable to give consent. Sexual assault and date rape are handled under the policies described under SEXUAL HARASSMENT.

**Sexual Harassment:**
It is the policy of Nyack College to prohibit sexual harassment of its employees and students in any form. In maintaining this policy the College seeks to assert basic Christian precepts, to affirm ethical standards universally accepted in the workplace/community, and uphold existing laws. Any practice or behavior that constitutes sexual harassment will not be tolerated. Sexual harassment is primarily a desire for a locus of control over the victim, intended to intimidate, coerce, embarrass, or degrade another person. Usually the aggressor has implied power over the victim such as a supervisor of an employee, faculty to student, or student to student. However, the roles could be reversed such that a student could attempt sexual harassment of faculty or staff. The result of this harassment is exploitation of power. In any form, such behavior undermines the atmosphere of trust and collegiality which Nyack College seeks to foster and is unacceptable.
While harassers may think that their words/actions are meaningless, the victim may be emotionally distraught or even internalize the events into physical symptoms. Emotive responses may include anger, embarrassment, fear, feeling intimidated, powerless, and degradation. Physical responses may include physical illnesses, withdrawing from social situations, drug and alcohol use to ease/lessen emotions and tension, and also distrust of previously trusted individuals. It is imperative that if you have been harassed, to contact the Department of Safety, Director of Human Resources, Health Services, Dean of Students, or your RD (if a student).

Definition of sexual harassment
Sexual harassment in the workplace/campus is prohibited under Title VII of the Civil Rights Act of 1964. Guidelines were issued by the Equal Employment Opportunity Commission in 1980 incorporating sexual harassment in the workplace as a violation of Title VII. Under Title IX of the Educational Amendments Act of 1972, as clarified by the Civil Rights Restoration Act of 1988, gender may not be a basis for exclusion from participation, denial of benefits, or discrimination in any educational programs or activity.

The following conduct, as outlined in the Equal employment Opportunity Commission Sexual Discrimination Guidelines and state law, is illegal: "Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting an individual, (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive environment."

Examples of behavior that may constitute sexual harassment include (but not limited to) the following:

- subtle pressure for sexual activity
- unnecessary brushes or touches
- offensive sexual graffiti
- disparaging remarks about one's gender
- physical aggression such as pinching and patting
- sexual innuendos
- verbal sexual abuse disguised as humor
- obscene gestures
- sexist remarks about a person's clothing, body, or sexual activities.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of a student’s employment or academic progress; (2) submission to or rejection of such conduct is used as a basis for academic or employment decisions affecting the student, or (3) such conduct has the purpose or effect of substantially interfering with a student’s work
or academic performance or creating an intimidating, hostile, or offensive work or academic environment is illegal and immoral.

**Prompt Reporting**
Any student who believes that he/she has been the recipient of harassment is strongly encouraged to report the alleged occurrence(s) as soon as possible to a representative of the College with whom the student feels comfortable discussing the matter (e.g., Residence Hall Director, Advisor, Student Development Staff member, etc.). The representative will then contact the Dean of Students if the alleged harasser is a student. If the alleged harasser is an employee of the College or a vendor/contractor of the College, the representative will contact the academic head at the respective campus.

Every effort will be made to ensure confidentiality in dealing with the situation, although a strict confidentiality cannot be guaranteed. All allegations of sexual harassment will be taken seriously and thoroughly investigated, with appropriate support for and respect of the alleged victim. If it is determined that an intentionally false accusation of sexual harassment has been made, this too will be investigated thoroughly and treated seriously.

**Grievances**
Counseling and other support services are available to any victim of sex offenses through the Counseling Services Department in Boon Campus Center on the Nyack Campus and numerous public and private agencies in Rockland County. Informational resources and materials may be obtained at the [Campus Safety Office](#), [Counseling Services Department](#) and [Health Services Department](#).

Any violation of this policy shall result in disciplinary action including, but not limited to, warning, reprimand, probation, suspension, expulsion or dismissal. Retaliation against an individual for bringing a sexual harassment complaint is prohibited by law and will lead to further disciplinary action. Nothing in this policy shall preclude a student from seeking redress through external legal proceedings.

**Stalking:**
Nyack College describes stalking as any behaviors or activities occurring on more than one occasion that collectively instill fear in the victim, and/or threaten her or his safety, mental health, or physical health.
Such behaviors and activities may include, but are not limited to, the following:
Non-consensual communication, including face-to-face, telephone calls, voice messages, text and instant messages or e-mails, written letters, unwanted gifts, etc.
- Threatening or obscene gestures;
- Pursuing or following;
- Surveillance or other types of observation;
- Trespassing;
• Vandalism;
• Non-consensual touching

*These offenses may result in additional charges.

Stalking behavior will not be tolerated. Incidents occurring on or off campus are subject to college discipline when such actions materially affect the learning environment or operations of the College.

Stalking is a crime under New York State law. Incidences of stalking outside New York State may be admissible in court, if it is relevant to the case and may be punishable as a Class B misdemeanor or a class D felony. Legal options available to victims of stalking include reporting to the local police, seeking a remedy through civil proceedings, and/or utilizing the campus disciplinary process.

If you believe you are being stalked, or if you have some questions about behavior that is frightening, even if it has only happened once, follow these steps for assistance:

• Call Nyack College Campus Safety x7191 OR 845-222-8812
• File a police report
• If you know the identity of the stalker, inquire about the possibility of obtaining a restraining order
• Keep a journal of everything that occurs, including dates, places and times of events. When the communication is electronic, save voicemails, e-mails, text and instant messages
• Tell your friends, roommates, and employer about the stalking
• If you live on campus, let your Residence Life Staff person know about the behavior
• If you are receiving annoying or threatening phone calls, keep a record of the time, date and message you receive

CHAPEL
A time of refreshing and inspiration with the NC/NYC community is offered through regularly scheduled Chapel services every Tuesday and Thursday at 5:00 in The Music Auditorium (22nd Floor). Through anointed music, a relevant message, and time of prayer, Nyack Chapel seeks to assist students in their spiritual development. Special guest speakers and other theme services are scheduled throughout each semester. Students are welcome to participate as worship team members, greeters/ushers, or praise dancers, and will occasionally be asked to share a message or give testimony to the glory of God. As Nyack NYC is a commuter college, attendance requirements differ from the Rockland Campus. These weekly services hold significance for both individuals and for the campus community and attendance is strongly encouraged.
**CHAPLAIN’S SERVICES**
As part of the Office of Student Development, the Associate Dean of Student Life, NYC Campus is readily available to serve our students by offering pastoral care, prayer and other spiritual assistance. In addition to facilitating our Chapel services, this responsibility includes providing oversight to all spiritual activity, including small group bible studies, prayer groups, short-term missions trips, evangelistic outreach and all other activities deemed under spiritual formation.

**CHILDREN ON CAMPUS**
NC/NYC does not have the permit or coverage for the care and responsibility of children and minors. In cases of extreme extenuating circumstances, if you must bring a minor to school with you, please have that child in your care at all times. You need permission from a professor if you wish to have the child sit in class with you. Please do not have the child roaming the corridors, wandering in the library or playing/working on the computers.

**COMPUTER SERVICES**
NC/NYC operates several computer labs for the convenience of all students. The lab schedule is posted and the research center hours coincide with the library schedule. All students receive an email account and log-in access code at the time of registration. Computer Lab Assistants are on duty daily to assist NC/NYC students with the use of the available equipment and software.

**COUNSELING**
Nyack College provides quality education and services to facilitate the holistic development of its students. The college experience is academically, emotionally and spiritually demanding. Therefore, the Office of Student Development offers pastoral counseling and personal development counseling. There is a Certified Social Worker and student interns who provide personal development counseling. Counseling services are free to students, and all sessions are kept confidential to the fullest extent allowable by law. Students are welcome to walk in or make an appointment.

**CULTURAL EVENTS**
Recently ranked as one of the top 20 most diverse campuses in America*, Nyack celebrates diversity through a wide variety of cultural events throughout the year. of the many cultures represented by our community, we emphasize our unity in the Lord. (*BestColleges.com, 2014)

DISCIPLINARY PROCEDURES
Nyack College’s philosophy of discipline is the same for all campuses and is outlined in the “Community Lifestyle Expectations for All Campuses” elsewhere in this handbook. Special attention is directed toward our Acceptable Computer Use and Plagiarism policies as highlighted below:

Acceptable Computer Use: All Nyack College computing and networking resources are provided primarily for the use of college students, staff and faculty. These resources are intended for educational purposes and for carrying out College business. Appropriate use of the resources includes classroom instruction, completing study assignments, doing research, communicating and conducting official work of the campus organizations and agencies of the College. By utilizing the computing and networking resources, users agree to use these resources in a manner consistent with mature Christian behavior and the College’s Community Lifestyle Expectations. This includes the use of both campus owned and personally owned computers and terminals, departmental computing facilities, general use computers, printers, campus network resources, and networks throughout the world to which the College provides computer access. Improper use of college computing and network resources will result in disciplinary action.

Violations to the above will incur any one, or all, of the following disciplinary actions:
1. Verbal and/or written warning to the offender
2. Restriction of system access for a specified period or until acts of restitution have been performed
3. Revocation of all system privileges for a specified period of time
4. Statement of charges sent to the Office of Student Development (for student offenders) or to the appropriate Director or Vice President (for employee offenders) which could lead to other penalties, including but not limited to, suspension or expulsion, depending on the seriousness of the offense.
5. Violations of Federal Laws pertaining to internet use will be reported and turned over to the appropriate authorities. While leisure time is not banned
on these resources, leisure users will immediately yield equipment to users seeking to complete work. Failure to do so will be subject to the disciplinary actions above. An Appropriate-Use Policy in detail is posted in the Computer Lab and is also available on the Nyack website www.nyack.edu/IT

See INFORMATION TECHNOLOGY EXPECTATIONS for the full list of computer usage policies.

**Plagiarism and Cheating:** Plagiarism is defined as “the act of using another person’s ideas or expressions in your writing without acknowledging the source...to repeat as your own someone else’s sentences, more or less verbatim” (MLA Handbook). Plagiarism is not only repeating word-for-word someone else’s writing but also taking ideas or another’s work without acknowledgment. Any student caught cheating, including plagiarizing, during her/his matriculation at NC/NYC, is subject to the following procedures:

First offense: Failure in the course involved
Second offense: Dismissal from the College

Cases of cheating are to be reported to the Academic Dean. Appeals may be made with the provision that the Instructor and the Dean are present when the case is considered.

Cheryl Turman, **Director COMPASS & Support Services/NYC**
Elona Collins, **Disability Resources Coordinator**
Nathaniel Perez, **Academic Advisor/HEOP Counselor**
Deborah Spivey, **Instructor, Developmental Education, NYC**
Cari Davis, **COMPASS Program & Testing Assistant, Rockland**
James Carrington, **Testing & Tutoring Coordinator, NYC**
Antonio Gary, **Program Assistant NYC**

The Division of Student Success at Nyack College administers the following programs: COMPASS Services, Developmental Education, Academic Recovery, the Higher Education Opportunity Program (HEOP), the College Warm-Up Program, Testing and Tutoring Programs and Disability Services.

**Mission:**
The Division of Student Success is responsible for assisting incoming students in becoming college ready and gaining the stamina needed for academic success to enter the world of work. Students are encouraged to engage in assessment and placement, college readiness seminars, developmental course work, success workshops, mentor groups, service learning, activities, advising, and tutoring to help them become motivated, successful learners.
Applicants’ skills are assessed through the Testing Program. The placement tests offered include the ACCUPLACER Placement Test and CLEP. Students whose scores fall below the minimum requirements for entry-level college courses are provisionally admitted through the Division’s COMPASS Services, designed to help build cognitive and affective skills for successful learning performance.

The Division spans both the Rockland and Manhattan campuses, providing a wide range of services which include strength assessment and analysis, a college warm-up experience, a developmental education curriculum with courses in critical thinking, reading, writing and math, study skill workshops, life skill training, mentoring, tutoring, academic advisement, and counseling.

**Student Learning Goals:**

**Academically Excellent**
1. Each conditionally-admitted student will be provided assistance in developing and maintaining an individualized college plan during their first year.
2. Each conditionally-admitted student will be provided support services throughout their four years, which will include assessment, placement, advisement, tutoring, and educational intervention strategies to promote academic proficiency.
3. Each conditionally-admitted student will be provided an opportunity to engage in developmental coursework that will strengthen literacy skills and encourage academic success and life-long learning.

**Personally Transforming**
4. Each conditionally-admitted student will engage in courses and workshops within the Division specifically designed to help them align academic pursuits with faith and spiritual formation.

**Globally Engaged**
5. Each conditionally-admitted student will be encouraged to engage in local, regional, national, and global service learning activities outside the classroom that will foster a sense of community and career awareness and stimulate retention.

**Intentionally Diverse**
6. Each conditionally-admitted student will be provided the necessary assistance in developing strategies to address physical or emotional challenges that might impede academic success.

Developmental Education courses are offered in Math, Reading, Critical Thinking, English, Grammar, and Life Skills. Upon completion of COMPASS Services course curriculum requirements for Developmental Education, the Division administers a test to determine the student’s ability to succeed at the college level. This facilitates the movement of students from developmental courses into college-level courses. This program is designed to be completed in one year.
Students whose scores fall below the minimum requirements for entry-level college courses are provisionally admitted through the Division’s COMPASS Program, designed to help build cognitive and affective skills for successful learning performance.

The Division of Student Success spans both the Rockland and Manhattan campuses, providing a wide range of services. New students who are provisionally admitted may not take more than 13 credit hours during their first semester and are required to take Academic Life Skills (DEV 110) during that first semester. Provisional students earning a GPA of 2.5 or higher during their first semester may take up to 16 credit hours the following semester. When all requisite developmental education courses, as designated by the Accuplacer Placement Test, are completed and the overall GPA is 2.0 or higher, the provisional status is elevated to regular status and students may proceed with their core and major course requirements.

Contact: Cheryl Turman- cheryl.turman@nyack.edu x7709

Provisionally admitted students will complete a COMPASS Contract, outlining their required developmental education courses. Of note, students are not permitted to withdraw (WD) from developmental courses and must complete the developmental coursework within their first year.

Nyack College requires participation in COMPASS Services for students placed on Academic Probation for the first time. Participation is also required for selected students who have been academically reinstated by the College. This program is designed to meet the needs of students whose overall GPA is below a 2.0, point them in the right direction, and improve retention rates using the following modalities: improve study and test-taking skills; improve academic and life management skills. Probation students will complete and adhere to an Academic Recovery Contract (ARC). Regularly admitted freshmen who are on academic probation at the end of the fall semester, earning less than a 2.0 GPA, must take Academic Life Skills in the spring semester and not exceed 13 credit hours. The Academic Life Skills course is included in this 13-credit limit.

Higher Education Opportunity Program (HEOP): The Higher Education Opportunity Program (HEOP) is a federally funded program that was initiated at Nyack College in the spring of 1975. It is open only to New York State residents who meet economic guidelines established by the New York State Education Department. The program serves students who have potential for success at Nyack College, but whose standardized test scores and/or previous academic performance may not fully demonstrate this potential.
The Pre-College Program is an intensive five-week summer session offered at both campuses that orients provisionally admitted incoming freshmen to college life. The program offers hybrid instruction to strengthen their basic academic skills. Courses instruction is offered in the areas of math, writing, reading, and academic life skills. Additionally, a variety of workshops and enrichment activities are also offered.

For more information regarding the Emergency Operations Plan, please visit www.nyack.edu/safetyandsecurity.

We currently provide communication on school emergencies and closings through our emergency hotlines by dialing x4951 on the Rockland campus, visiting www.nyack.edu or joining the Nyack College Emergency Closing Notification Facebook Group.

Nyack College also utilizes a mass notification emergency alert system called Nyack Alert. In the event of an emergency, the campus emergency notification system will be activated to alert the campus community to check one of the following media for important information and/or instruction:
- The student’s phone, text message, or e-mail
- www.nyack.edu/NyackAlert, the campus alert page

This new emergency notification will be used only in the event of a life threatening emergency, or if power outages render all usual modes of communication (email, Facebook, Nyack website) unusable. It will be tested occasionally. It does NOT replace any of the other forms of communication that Nyack College currently uses. Messages sent in the event of a life-threatening emergency will be designed to convey actions students should take to protect themselves.

Go to www.nyack.edu/NyackAlert to register for Nyack Alert. Use your Nyack computer username and password to sign up and choose your preferred method of communication.

**CAMPUS SAFETY DEPARTMENT**  

Security on campus is provided by the Campus Safety Department, which is managed by the Nyack College Facilities Department. Campus Safety conducts security checks of campus facilities, including residence halls. A Campus Safety Officer is on duty 24 hours a day, 365 days a year. The Campus Safety Department works closely with the Residence Life Staff and local police to deter, detect, report and investigate criminal activity and other activities on campus that are related to safety and security. The Campus Safety Department will provide upon request all crime statistics as reported to the United States Department of Education. This information is also available from the US Department of Education at www.ed.gov. The Campus Safety Department Office is open for business weekdays from 8:00am to 4:30pm.

Campus Safety Officers enforce campus policies concerning the possession and consumption of alcoholic beverages, the use of controlled substances, weapons use or possession, and all applicable laws. The use of alcoholic beverages and illegal drugs by students is prohibited. Firearms and dangerous weapons of any type are not permitted anywhere on campus. This includes swords and knives over four inches long and pellet or “BB” guns. Intentional use, possession or sale of firearms or other dangerous or deadly weapons by unauthorized persons on campus is strictly forbidden.

Criminal activity and other emergencies on campus can be reported to the Campus Safety Department 24 hours a day by any person by dialing ext. 7191 from any campus system telephone or by dialing 845-222-8812 from a private or public telephone. Safety officers have sufficient authority to enforce campus rules and regulations. Members of the campus community are subject to disciplinary action for failing to obey the instruction of Safety Officers.
Officers are trained in accordance with the New York State Security Guard Act and receive additional on-the-job and annual in-house training. Training includes crisis response, emergency procedures relating to criminal activities, arrest authority, report writing and patrol techniques. Safety officers are not armed and they are not sworn law enforcement officers. But the department cooperates with other law enforcement agencies regarding crimes, reports of criminal activity, and investigations.

Information on safety and security is provided to students and employees through brochures, newsletters, the student newspaper and other means as appropriate.

The Facilities Department is responsible for fire safety, key and lock control. It inspects campus facilities and promptly makes repairs in areas that may affect safety and security.

**Video Surveillance:** Designated areas of campus facilities and surrounding grounds are monitored by continuous video surveillance, for the purpose of enhancing the security and safety of the campus community. This includes residence hall entrances, exits and parking lots.

**Building Access, including roofs and windows**
For safety reasons, no students are permitted in campus facilities (except for residences) after regular hours of operation. Students are not permitted on the roof of any building at any time without permission from Student Development or the Facilities Department. Students known to have been on the roofs of any buildings or to have thrown things off of buildings or out of/into windows will be subject to disciplinary action.

**Student, Faculty, and Staff Responsibility:** The cooperation and involvement of students, faculty and staff in campus safety and security are essential. All members of the campus community must assume responsibility for their personal safety and the security of their property by taking simple, common sense precautions. Room and apartment doors should be locked at night and when unoccupied. Valuable items such as cell phones, iPods, tablets, cameras and televisions should be marked with engraving instruments. Bicycles should be secured with a sturdy lock. Persons with vehicles must display a registration permit, park in their assigned area and should always keep their vehicles locked. Valuables should be locked in the trunk. Suspicious persons or situations on campus, especially in and around the residence halls, should be reported to the Campus Safety Department.

A comprehensive Career Services website that includes a multitude of services is available via the Nyack College home page. Career Counseling & Services is located on the 2nd floor of the Betty Olsen House on the Rockland Campus.

The Division of Student Success at Nyack College administers the following programs: COMPASS Services, Developmental Education, Academic Recovery, the Higher Education Opportunity Program (HEOP), the Pre-College Summer Warm-Up Program, Testing and Tutoring Programs and Disability Services.

**Mission:**
The Division of Student Success is responsible for directing students to academic success. The COMPASS program is the primary source within the Division used to help students become motivated, self-directed, successful learners who will achieve good academic standing. Our fundamental goal is to help students identify their strengths and point them in the direction for success.

Applicants’ skills are assessed through the Testing Program. The placement tests offered include the ACCUPLACER Placement Test and CLEP. Students whose scores fall below the minimum requirements for entry-level college courses are provisionally admitted through the Division’s COMPASS Services, designed to help build cognitive and affective skills for successful learning performance.

The Division spans both the Rockland and Manhattan campuses, providing a wide range of services which include strength assessment and analysis, a college warm-up experience, a developmental education curriculum with courses in critical thinking, reading, writing and math, study skill workshops, life skill training, mentoring, tutoring, academic advisement and counseling,

**Student Learning Goals**
Academically Excellent

1. Each conditionally-admitted student will be provided assistance in developing and maintaining an individualized college plan during their first year.
2. Each conditionally-admitted student will be provided support services through-out their four years, which will include assessment, placement,
advisement, tutoring, and educational intervention strategies to promote academic proficiency.

3. Each conditionally-admitted student will be provided an opportunity to engage in developmental coursework that will strengthen literacy skills, encourage academic success, and life-long learning

Personally Transforming

4. Each conditionally-admitted student will engage in courses and workshops within the Division specifically designed to help them align academic pursuits with faith and spiritual formation.

Globally Engaged

5. Each conditionally-admitted student will be encouraged to engage in local, regional, national, and global service learning activities outside the classroom that will foster a sense of community, career awareness, and stimulate retention.

Intentionally Diverse

6. Each conditionally-admitted student will be provided the necessary assistance in developing strategies to address physical or emotional challenges that might impede academic success.

Developmental Education courses are offered in Math, Reading, Critical Thinking, English, Grammar, and Life Skills. Upon completion of COMPASS Services course curriculum requirements for Developmental Education, the Division administers a test to determine the student’s ability to succeed at the college level. This facilitates the movement of students from developmental courses into college-level courses. This program is designed to be completed in one year.

Students whose scores fall below the minimum requirements for entry-level college courses are provisionally admitted through the Division’s COMPASS Program, designed to help build cognitive and affective skills for successful learning performance.

The Division of Student Success spans both the Rockland and Manhattan campuses, providing a wide range of services. New students who are provisionally admitted may not take more than 13 credit hours during their first semester and are required to take Academic Life Skills (DEV 110) during that first semester. Provisional students earning a GPA of 2.5 or higher during their first semester may take up to 16 credit hours the following semester. When all requisite developmental education courses, as designated by the Accuplacer Placement Test, are completed and the overall GPA is 2.0 or higher, the provisional status is elevated to regular status and students may proceed with their core and major course requirements.

Mission Statement: To honor the Lord by providing a safe, clean, beautiful environment for students to learn and faculty and staff to work.

The Facilities Department is responsible for providing the campus with custodial, grounds, maintenance, and security services. The Facilities office hours of operations are 7am to 4:30pm, Monday through Friday.

- **Custodial:** The custodial department maintains the cleanliness of the campus through daily cleaning of public places, classrooms and offices as well as routine cleaning of residents’ rooms (when not occupied).
- **Maintenance:** The facilities department maintains physical buildings on campus through routine maintenance of the heating/cooling systems, telephone systems, carpentry, plumbing and miscellaneous repairs. Maintenance problems in the residence halls should be reported directly and immediately to the Residence Life Staff.
- **Security:** Campus Safety Officers are on duty 24 hours a day, 365 days a year. Their primary responsibility is to patrol and maintain the safety and security of the campus. Safety Officers are Facilities first responders and should be called in the event of any emergency. Campus Safety is also responsible for maintaining parking safety on campus and issues parking violations to individuals not following the college parking policy.

**HEALTH SERVICES**

Mission:

Nyack College Health Services exists to provide competent basic medical care, preventative care, and health education to students in a setting that is socially comfortable and spiritually empowering.

Objectives:

- To ensure competent nursing care by highly trained staff who have maintained regular education and specific skills training related to the needs and responsibilities of the office
- To provide care that will act in a preventative capacity by encouraging early interventions, utilization of outside diagnostic resources, and quick response treatments
- To educate students to the general and specific health needs of college age individuals by providing written information, discussion panels, bulletin boards, classroom education, and Health Fairs.

Health Services Department: It is located on the second floor of the Betty Olsen House “Hub”. The Department acts as a basic health care service and a channel of referral to other health providers and clinics. Through the process of assessment,
analysis and evaluation, the Health Services Department selects the appropriate basic care and provides basic first aid and follow-up.

The Health Services Department is open during posted office hours Monday through Friday. If an emergency should arise on campus, 9-1-1 is the appropriate number to call to contact the Emergency Medical Service.

**Illness Excuse Policy:** Health Services does not give written excuses for absences from class or Chapel due to illness or injury. Class attendance is an academic issue that each professor addresses in her or his syllabi.

**Communicable Diseases:** The College will take action to maintain the well-being of the community when a communicable disease is identified on campus. Depending on the nature of the disease, short-term or long-term isolation from the campus may be necessary for the individual with the disease if a physician and/or the Department of Health so advise.

**Health Insurance:** All students are encouraged to maintain adequate health insurance. If a student is a covered dependent under a private insurance plan, it may be important to identify in-network medical services providers for Rockland County in advance. The student must provide Health Services with an updated copy of his/her medical insurance card.

**Health Insurance Options:** Students without private health insurance coverage can find local options available in the marketplace at [www.ehealthinsurance.com](http://www.ehealthinsurance.com). Also, visit [www.cirstudenthealth.com/nyack](http://www.cirstudenthealth.com/nyack) for information on the American College Student Association policy. Students may also be able to qualify for New York Family Health Plus programs. Information is available from the New York Department of Health at [http://www.health.ny.gov/health_care/family_health_plus/](http://www.health.ny.gov/health_care/family_health_plus/).

**Medical Transportation:** Students are responsible for providing their own transportation to health care facilities. If any health care need arises while students are on campus after Health Services Office hours have ended, or on the weekends, Residence Life Staff should be contacted immediately (845) 405-9038. Residence Life will not transport students to medical facilities but will assist in arranging transport. Note: In the case of a medical emergency students should call 911.

**Student Accident Insurance:** All full-time students attending classes at the residential campus are covered by Student Accident Insurance. This insurance provides coverage in case of an accident occurring on or off campus during the annual policy year from August 1 through July 31. The coverage provides a maximum benefit of $2,500 per injury with a $0 deductible.
**Student Accident Insurance Cards:** All full-time students attending classes at the residential campus will receive an insurance card. Students are required to carry this ID card at all times and present their card when they require health care services related to an accident. More information can be found at the following link [www.cirstudenthealth.com/nyack](http://www.cirstudenthealth.com/nyack).

Student Accident Insurance is not health insurance and does not provide benefits for sickness or treatment of medical conditions not related to accidents.

To file a claim or to get answers related to insurance benefits, contact The Maksin Group at 877-440-6840. Students can also go to the following link, [www.cirstudenthealth.com/nyack](http://www.cirstudenthealth.com/nyack) and select the Health Plan Details tab to obtain claim forms and more information.

**MEDICAL AND MENTAL HEALTH WITHDRAWALS**

Nyack College cares deeply about the physical and mental health of its students. Therefore, health and counseling services are available on campus. At times, however, a student may experience such extreme medical or psychological conditions that the ability to function successfully or safely in the role of a student is significantly impaired. Students are encouraged to prioritize their health and safety and take steps toward recovery, even if academic progress must be delayed. The College will support student-initiated self-care plans and/or initiate action that considers the welfare of the individual student and the college community.

**“THE HUB” Betty Olsen House**

The HUB houses a TV lounge, Student Health Services, and Office of Career Services. (WiFi is available). The HUB is open daily throughout the semester, except for Sundays. For the Hub hours please stop by the Student Activities Office. Any group, organization, or department on the Rockland Campus can request to reserve the HUB for an event by emailing the sarah.samson@nyack.edu. All reservations must be made at least 14 days in advance.

**ID CARDS**

In order to promote a safe and secure environment on our college campuses, ALL students of Nyack College are required to carry a College-issued ID card at all times. Further, all students are required to present their ID cards upon request to any Campus Safety Officer, faculty, staff, Residence Life staff (including student RAs and desk proctors), or contract employee of the College.

ID cards are issued without charge to new students during registration. ID cards are non-transferable, may only be used by the student to whom they are issued, and become invalid upon termination of the student’s association with the
College. ID cards should not be modified in any way (i.e. punching a hole in them), since this damages the card. “Loaning,” attempting to falsify, refusal to present the card when asked, or other misuse of the ID card will result in serious disciplinary action. Report the loss of an ID card to Student Development immediately.

The College reserves the right to deny access or ask an individual to leave the premises if they do not present their ID card when asked or are unable to show some form of identification which may be checked against enrollment information.

**The ID card is used in the following ways:**

- To gain access to the cafeteria for each meal
- To log attendance at chapel programs
- To gain admittance to athletic and other events
- To check out books and borrow college-owned materials
- To gain access to various campus buildings and facilities
- To gain access into traditional dorms during 12:00 AM – 6:00 AM

**Replacing ID cards**

There will be a fee for lost, stolen, or misplaced ID cards (cards can be replaced at the Student Development office in Boon Center):

**Brass Ensemble:** The Brass Ensemble, a select group of 5 or 6 members chosen by audition, participates in the annual Carol and Candlelight and Sounds of Praise tours, as well as concerts, graduation ceremonies, and other events of the College.

**Carol and Candlelight:** Nyack’s Christmas tradition since 1948: The Women’s Chorale, Handbell Choir, and Brass Ensemble present an annual Christmas concert on tour and on campus early in December. The program concludes with a candlelight ceremony.

**Chamberfest:** Students engaged in small ensembles work under the direction of the faculty to present a concert of vocal, instrumental, and keyboard music at the conclusion of each semester.

**Chorale:** The Chorale, composed of auditioned students (men and women), sings for Christmas and spring concerts. They also perform during Chapel, sing at campus and community events, perform in choral productions at Carnegie Hall and Lincoln Center, and tour both stateside and internationally. This ensemble is considered a music organization.

**Faculty Recitals:** The School of Music’s own faculty, artists trained at such prestigious schools as Eastman, Julliard and Rutgers, present superlative performances, often with colleagues from the New York Philharmonic and the Metropolitan Opera.

**Handbell Choir:** The Handbell Choir is composed of students by audition or invitation. They have the opportunity to perform on the School of Music’s collection of Schulmerich Handbells, Melmark Choir Chimes, and Indonesian Angklungs. The ensemble is featured in concerts, chapel services, and forms an integral part of the annual Carol and Candlelight and Sounds of Praise Tours. This ensemble is considered a music organization.

**POST OFFICE**

The Nyack College Post Office is an official substation of the U.S. Postal Service. Each student, both commuter and resident, may sign up for a mailbox located adjacent to the Post Office. Due to the number of students, mailboxes may be shared. A key deposit of $10.00 is required, which will be refunded at the end of the year upon return of the key. Students will also be required to submit a change of address form for the summer. No mail can be held over the summer for a student.

Students are notified via e-mail when a package has arrived for them. The e-mail includes tracking information as well as when the student can come to the Post Office to pick up their package. Packages and registered mail may be picked up at the Post Office window during regular office hours. Anyone picking up a package must provide proper photo identification and signature in accordance with Government Regulations. **No packages will be given to students without an ID.**
NOTE: U.S. Postal Regulations forbid the handling of mail over the counter – U.S. Postal Reg. DMM 951.72. Students must not forget their mailbox key. Also, it is a federal offense to open any P.O. Box with anything other than the key assigned to it.

No one other than Auxiliary Services personnel will be allowed in the Post Office area. We no longer accept mass notifications of events via inter-campus mail. Students should utilize announcement boards provided by Student Development or digital signage.

Residents are responsible for checking their mailboxes on a regular basis, especially in the event of mailbox sharing. Important college notices, which can be time sensitive, are placed in the mailboxes during the academic year. The mailing address for residents is:

Resident Name  
Nyack College  
1 South Boulevard  
Nyack, NY 10960-3698

The name of a residence hall, the room number in the residence hall, or a mailbox number should not be used in the campus address and may result in delayed delivery.

Other services the Campus Post Office provides include the selling of money orders between the hours of 8:30am and 2:30pm and the shipping of packages.

RESIDENCE LIFE PROCEDURES
Living together always carries a number of responsibilities. The Residence Life Staff and resident students on the Nyack campus have found the following procedures (listed alphabetically) to be the best way of providing a quality living community:

CARE OF PROPERTY

Care of College Property – College property may not be removed from its designated place for any reason without proper authorization. Unauthorized removal of such property will be considered vandalism and will be subject to disciplinary procedures and monetary compensation to the College.

Damages to Student Rooms – Students are responsible for the condition of their room and its contents, including furniture, floors, walls, windows, doors, closets, carpet, etc. Any damage to school property will result in a fine covering the cost of repair or replacement beyond wear and tear.

Room damages will be assessed by the Facilities Department and charged to the student. The fine is then collected directly by the Residence Life Staff. Students being charged for room damages will be notified in writing by the Residence Life Staff.

Damages to Public College Property in Residence Halls – Students are liable for damages they cause to college property. Damages or items for repair should be reported to the Residence Life Staff as soon as possible so that repairs may be made. For damages occurring in areas for which the responsible person cannot be determined, the cost of repair or replacement will be billed in the following way: (1) those within specific residence hall floors will be billed to all members of that floor, the cost being equally divided; (2) those occurring in public areas, such as residence hall lobbies and lounges, will be billed to all residents of the hall, the cost being equally divided. Any damages caused as the result of the spread of water (outside of storm damage or broken pipes) within or from a college-owned building by any means will require (1) the cleaning up of the affected area, (2) paying for any damage, and (3) possible disciplinary measures. Additionally, tampering with the elevator in Simpson Hall can result in expensive repairs. The offending student will be charged for the cost of the repairs. All repairs will be made by the Facilities Department or by a contractor hired by the College.

Care of Personal Property – The College is not responsible for damage or loss of personal property stored or used in college-owned buildings or on college-owned property. The College cannot be held responsible for theft, vandalism or damage done to vehicles. Some students’ valuables and belongings are covered for loss and theft by their family’s home insurance policy. It is advised that each student inquire as to whether he/she is covered by such a policy. If not, it is highly recommended that a “Renter’s Insurance Policy” be purchased through a local insurance company.
Unauthorized removal of either personal or college property will be considered theft and subject to criminal investigation by local law enforcement authorities, as well as the college disciplinary process.

CHECKING IN TO THE RESIDENCE HALLS
Residence Halls are staffed from 7:00pm-6:00am by Residence Life Staff and/or desk proctors. All guests and visitors, including parents and family members, must provide photo ID. All guests staying overnight must register using the Guest Registration Card, which is to be filled out completely by the host resident and guest. Residents assume responsibility for their guests’ behavior and actions during their visit. No infants or children under the age of 13 are allowed in the residence halls without the supervision of their parent or legal guardian.

All students, regardless of the number of credits they have completed, are required to check in at the front desk of their residence halls after the front doors are locked at 12:00am. Failure to provide appropriate student ID and sign in at the front desk may result in disciplinary action by the RD. All residents/ guests are requested to show proper ID to the Desk Proctor. When a guest is leaving between 12:00am – 6:00am, the guest must sign out with the desk proctor.

NOTE: Information submitted to desk proctor should be accurate and consistent with room assignment by identifying resident with their student ID card.

Violations of ID policy are subject to the following sanctions:
- **First offense:** Warning
- **Second offense:** Warning
- **Third offense:** Meeting with Resident Director
- **Subsequent violations:** Student will be fined $10 for each subsequent violation.

Failure to comply with all checkout procedures at the end of a school year will result in a $250 fine, whether a student is returning in the fall or not. This includes failure to clean room to satisfactory condition set by Residence Life Professional Staff. This fine is non-reducible (see chart under the fines section). If belongings have not been removed at the end of that additional week, the Residence Life Staff will remove and dispose of them. Residence Life is not responsible for any belongings left behind.

**CURFEW POLICY**
The first year of college life is usually a dramatic change for students. Freshmen Curfew assists our younger first year resident students who are adjusting to both the freedom and the responsibility required by college life. Requiring first-year students to comply with a curfew ensures the best possible start for their academic career.

**Curfew Expectations:**
Freshman residents with fewer than 30 credits completed or under 21yrs.:
- Sunday-Thursday: 1:00 AM
- Friday-Saturday: No curfew

Violations of curfew include failure to sign in to the front desk by the aforementioned times, forgetting to sign in, and refusal to comply with the request of the front-desk staff are subject to the following sanctions:

- **First offense:** Warning
- **Second offense:** Mandatory meeting with Resident Director
- **Third offense:** Sanctioned by Resident Director; student will need to complete 5 hours of approved community service within the week of the violation.
- **Subsequent violations:** Sanctions for subsequent violations include extending curfew requirements into a student’s second year of residential life and/or revoking eligibility to live off-campus.
DROPPING TO PART-TIME STATUS
Only full-time students are permitted to live in the residence halls. If a student drops below full-time status during the semester, he/she must fill out a form in the Registrar Office, explaining the reason for that drop and requesting permission to remain in the residence hall. The form must be filled out completely before being submitted to the Office of Student Development. If permission is not granted, the student has a 72-hour period to remove belongings and complete proper checkout. If the student does not vacate by the end of the 72-hour period, room and board charges will continue to accumulate until proper checkout has occurred and personal items are removed from the room.

EXPECTATIONS FOR STUDENTS LIVING OFF CAMPUS - GOOD NEIGHBOR POLICY
All students who have been extended the privilege of living off campus remain members of the Nyack College community. They are obligated to honor their commitments to Nyack’s community lifestyle expectations as outlined in the Off-Campus Housing Application and the current student handbook. In addition to these college standards, off-campus students are also required to abide by the local laws and ordinances of their communities. It is expected that students living off campus will be good ambassadors of Christ and Nyack College.

In addition to representing Nyack College, as members of this Christian community, we are called to be “salt and light” in the world - this includes our local communities. As such, it is expected that off-campus students will be good neighbors, respectful and considerate of the rights and needs of neighbors, always being sensitive to issues regarding noise, parking, guests, upkeep of dwelling, etc. With regard to these and other “courtesy issues,” it is expected that students living off campus will always defer to the needs of their neighbors in addition to obeying all state and federal laws and local township ordinances. The use, possession, and/or distribution of illegal drugs or alcohol are prohibited for Nyack College students living on or off campus while enrolled during the academic year. (See Alcohol and Other Drugs Policy) Off-campus students are responsible for the behavior of their guests. It is also expected that off-campus students will abide by the Sexuality and Relationships policies outlined for all Nyack College students.

Trespassing is defined as unlawful entry, unwarranted or uninvited incursion, as defined by Webster’s Dictionary. All students are expected to refrain and honor state law and college expectations concerning trespassing. Violation of this policy on or off campus will result in a disciplinary hearing and sanctioning upon determination of the hearing.
ELECTRIC APPLIANCES
In the interest of fire safety, ONLY the following appliances may be used within designated areas: mini refrigerators, automatic coffee pots, hot pots, personal size blenders, hand vacuums, small sweepers, compact vacuums, electric curlers, curling irons, flat irons and blow dryers (in Christie and Simpson Hall blow dryers and other ironing appliances (i.e. flat iron, clothing iron) may only be used in the bathrooms). If unauthorized items are found, they will be confiscated by Residence Life Staff and will result in a $250.00 fine. This fine is non-reducible (see chart under the fines section).

NOTE: Among the appliances NOT permitted are: halogen lamps, microwave ovens, toasters, toaster ovens, crock pots, irons, rice cookers, waffle irons, heaters, air conditioners, hot plates, electrical grills, electric wax burners and extension cords. These items will be confiscated by Residence Life Staff and will result in a $250.00 fine. This fine is non-reducible (see chart under the fines section).

FINE POLICY
Residents that are issued fines in the dorms are given a two-week period to pay a lesser fine than issued (with some exceptions). For example, for failing room inspections, the fine is $25.00. If the resident pays the fine within two weeks of date on fine, the fine will be reduced to $10.00. Upon failure to pay the fine within the two-week period, a memo will be sent to the resident reminding them that they owe fine money for the original amount of fine. All fines are non-refundable. Students may pay their fines in the Residence Life office in the dorms. During the school year residents are informed of any outstanding fines.

NOTE: Residence Life holds the right to fine a house or full floor for violations of community, safety, and cleanliness policies. Fine is at the discretion of the Resident Director.

FIRE SAFETY
Each residence hall will hold fire drills on a periodic basis. Evacuation instructions are posted in each residence room and in public areas. Additionally, each floor is equipped with a fire extinguisher.

When a fire alarm goes off, the following procedures are to be followed:
1. All persons must evacuate the building immediately.
2. Doors must be closed (and unlocked) with the room lights turned on.
3. Buildings may only be re-entered when permission is granted by an authorized college or fire department official.

To emphasize the seriousness of fire safety, any person (faculty, staff or student) found violating any provision of these regulations will be charged a fine of $250. This fine is non-reducible (see chart under the fines section). Other disciplinary measures and financial restitution may also be required.

The following are fire safety restrictions for the Nyack campus. Violations of these restrictions will also result in a fine of $250 and possible suspension or expulsion. These restrictions include, but are not limited to:

- Moving, adjusting or otherwise tampering with any fire safety equipment
- Use or possession of any fireworks
- Use or possession of any candles or incense inside resident rooms. No candles or incense of any kind are permitted in residence halls (only Glade plug-ins are permitted).
- Use or possession of any open flame or flame-producing device
- Use of prohibited appliances (see section on ELECTRIC APPLIANCES).
- Use of extension cords (only use of surge protectors is permitted)
- Use of decorative lights are prohibited (i.e. Christmas lights, or other hanging lights)
- Blocking or restricting passage in a hallway, stairway or doorway with personal items (i.e. garbage, shoes, open umbrella, etc.)
- Failure to respond immediately to a fire alarm
- Propping any of the fire doors at any time
- Blocked/ Semi-blocked entrances into rooms (i.e. wardrobes, dressers)
- Inability to walk through the room due to uncleanness
- Initiating or reporting a false alarm – The intentional or reckless pulling of a fire alarm is considered a criminal offense. Any student who sets off the fire alarm by neglect will be fined $250. This fine is non-reducible (see chart under the fines section).
FLOOR/ HALL MEETINGS
Mandatory floor and hall meetings will be held throughout the semester to address issues relevant to the respective halls and floor and uphold each other in prayer. These meetings are required by the Residence Life Office. All residents are required to attend. If residents are late or fail to attend either or both meetings a $25 total fine will be charged. This fine is non-reducible, (see chart under the fines section). If a student is unable to attend because of an emergency only, he/she must receive permission from the Residence Director 24 hours before the meeting. Work related excuses will not be accepted. The Residence Life Staff reserves the right to call meetings if necessary. Hall meetings will be posted in the school calendar, which is made available to all students the summer prior to the start of the academic year.

HALL LOCKUP
In the interest of security, the exterior entrances of residence halls are locked prior to 12:00am and unlocked at 6:00am daily. Visitors of the opposite sex must leave the hall prior to 12:00am and are not permitted to remain outside of the residence hall or in vehicles parked adjacent to the building. Please keep in mind that students with curfews must be in their respective halls before 1:00am. Each Resident Director will assign parameters to their respective dorms.

NOTE: Students who set off the exit door alarms will be charged with a $25.00 fine. If fine is paid within two weeks of the date on fine, it will be reduced to $10.00 (see chart under the fines section).

HALL LOUNGES
Each residence hall has one or more lounges for the enjoyment of residents. Lounges are used by all residents for relaxing, socializing, and entertaining visitors and friends.

Movement/misuse of furniture, public displays of affection, rowdiness, loud talking, personal use of radios and sleeping are prohibited and will be confronted by Residence Life Staff. Residence hall lounges close at 12:00am to the opposite sex. Simpson Hall 4th floor study lounge is only open to male visitors from 6-9:00pm.

Students are to clean up after themselves as they are using these areas. If a resident does not clean up after they have used the T.V area, lounges, or kitchens, a fine of $50.00 will be issued. This fine is non-reducible (see chart under the fines section). If these areas are consistently misused it is at the discretion of the Resident Director to revoke privileges.

NOTE: Dunbar Suite residents are welcome to use the common area in Moseley Hall.
HOUSING POLICY

ON-CAMPUS: All full-time Freshmen and Sophomore students under the age of 21 are required to live on campus, unless living at home with a parent or guardian. This policy offers students the opportunity to get the best possible academic start while developing social contacts and becoming more involved with college life. Students who have been sanctioned at Level 2 Probation or higher are not eligible to apply to live off campus during and within 6 months completion of the probationary period.

OFF-CAMPUS: In order to qualify for off-campus housing, students must be over 21 or a Junior/Senior, fill out the off-campus request form available online at [www.nyack.edu/UGradHousingForms](http://www.nyack.edu/UGradHousingForms) and return it to the Auxiliary Services Office. Community standards that are in place for residential students are also expected of off-campus students. Any Freshman or Sophomore student under 21 years of age seeking permission to live off campus may qualify for exemption if they fall under one of the following categories:

- Will be living with a parent/relative/guardian. Provide a signed letter that includes a statement of permission, as well as daytime and evening phone numbers from your parent or guardian (a letter from a relative who is not a parent or guardian is not acceptable).
- Have lived in an off-campus apartment for a minimum of 8 months and must remain off-campus to honor the lease. A copy of a signed lease agreement and parent letter giving permission must be submitted with this form. Freshmen and Sophomores under 21 who move to off-campus apartments at the end of the Spring Semester are not eligible for this exemption.
- Are married. Provide a copy of the marriage certificate.
- Have a medical concern. Medical excuses will only be accepted after all reasonable measures to accommodate the student in the residence hall have been exhausted. The student must provide a detailed statement from her/his primary physician stating specific reasons why he/she cannot reside in a residence hall and the estimated duration of this medical problem. The statement must be on the doctor’s letterhead, signed and dated. The student’s doctor may need to be contacted by Health Services for clarification purposes.

No other exemptions will be made for living off campus.

Moving off campus is only allowed during summer and winter breaks. If the student decides to move off campus during fall or spring semesters, the student will be responsible for full semester room and board charges that will be applied to his/her account. No prorated refunds will be processed during fall or spring semesters. Students who have signed up to be a resident student and then decide to move off campus must fill out the off-campus form, see their student financial aid counselor and be approved by Student Development by August 1st. All full-time students who have not submitted an off-campus form by August 1st or have
been denied off-campus residency will be considered as residents and will be financially responsible for the semester room and board charges. For further explanation of the terms and conditions, you may visit the college website at [www.nyack.edu/Housing](http://www.nyack.edu/Housing).

**Room Retainer Fee:**
All resident students, both new and returning, are required to pay a Room Retainer Fee. This fee, along with the Residence Request Form, reserves a student’s room for the next year and is applied toward his/her student account once the academic year begins. Students will not be allowed to participate in Room Selection Week unless the $150 Room Retainer Fee has been paid, the FAFSA form submitted, and clearance from a Student Financial Counselor has been submitted to the office of Auxiliary Services.

**Room Selection:**
To request a room for the following academic year, all students must fill out the online Contract Application found at [www.nyack.edu/Housing](http://www.nyack.edu/Housing). Room assignments are only guaranteed for the current Fall and Spring Semester. Priority in room selection is determined by several factors. Residence Request Forms received during Room Selection Week will be given priority according to the cumulative number of academic credit hours and GPA earned by the end of the previous semester. Contract Applications received after the end of Room Selection Week will be given priority based on a first come, first serve basis. No priority is given based on current occupation of the room.

**ISSUANCE OF DORM KEYS**
Residents will be issued building and/or room keys upon check-in from the Residence Life Staff. To receive a key, the resident must acknowledge receipt of the key in writing. Students are responsible for their individual room keys and should not loan them out to other people. In the event that a resident loses her/his key, the Residence Life Staff should be immediately notified. The Facilities Department will not issue keys directly to a student. The Residence Life Staff of each building will be issued the replacements of all lost resident keys.

To protect residents and maintain proper security on campus, the loss of a key or failure to return the key will result in the cost of having the door lock changed. This cost of $50 will be charged to the student directly by the Residence Life Staff. This fine is non-reducible (see chart under the fines section).

Residents are encouraged to keep their doors locked at all times when they are away from their rooms. The College is not responsible for the loss or theft of residents’ personal belongings.

**KITCHEN**
Most residence halls have a kitchen available for resident use. Hours are posted in each dorm. Students are responsible for their own clean up. Residence Life
reserves the right to close the kitchen if it is not being used properly by the residents. Microwaves are available outside the kitchen in each dorm. If these areas are not cleaned up after use by a student, a $50.00 fine will be issued. This fine is non-reducible (see chart under the fines section).

**LAUNDRY**
Laundry facilities are available for your convenience in each residence hall. If students have a problem with a machine, they should make note of the machine's number and report it to the Residence Life Staff. If money is lost while attempting to use the machines, contact the Residence Life Staff. Residence Life reserves the right to remove unclaimed clothing left in the laundry room after 48 hours. The hours for Simpson Hall facilities are from 8:00am-12:00am. The hours for Christie Hall facilities are from 6:00 am-12:00 am. Moseley Hall, Dunbar, Bethany, and Harmony facilities are open 24 hours.

**LOFT POLICY**
Lofts are not permitted, except for rooms previously designated by the Office of Auxiliary Services. Beds or any other furniture may NOT be mounted or elevated on top of any furniture or cinder blocks. Violation of this policy will result in a $25.00 fine. If fine is paid within two weeks of the date on fine, it will be reduced to $10.00 (see chart under the fines section). Bed risers purchased from a manufacturer are permissible.

**LOSS OF OFF-CAMPUS HOUSING**
Students determined to be responsible for violating college community lifestyle expectations and/or federal, state, or local laws will have the privilege of living off campus revoked. This will result in the student’s mandatory return to on campus housing and possible additional sanctioning through the discipline process.

All students are also subject to the Residence Life policies as declared in the undergraduate Student Handbook when on Alliance Theological Seminary property. Students who do not abide by these policies will be subject to the discipline process.

**OCCUPANCY OF ROOMS**
Students are encouraged to check the college calendar regarding the date and time to arrive on campus at the beginning of each semester.

There are several official college breaks when the residence halls are closed. Prior to the beginning of these breaks, the Residence Life Staff will set a date and time when the residence halls must be vacated. For a listing of the official college breaks please see the College Calendar at [http://nyack.edu/content/RocklandLife](http://nyack.edu/content/RocklandLife) or call Student Development. If a resident is found staying in the dorms during official breaks it will be considered trespassing.
OPEN DORM POLICY
At the beginning of each year the Residence Life Staff will establish and post an open dorm schedule for each residence hall. This is an opportunity for residents to receive visits from students of the opposite sex. All residents participating in open dorm are required to keep lights on and room doors open at all times. Lying on beds, floor, etc. is not permissible (even if residents are watching a movie); sitting on bed is permissible. All residents must be dressed appropriately while in the room of a student of the opposite sex (i.e. no pajama pants). Residents should be fully clothed when walking in the halls and coming out of showers. Please see school policy on clothing attire that is not appropriate. Any failure to comply with this policy may result in disciplinary action. Residence Life has the right to cancel open dorm as needed.

For upper classmen housing in Bethany, Harmony, and Dunbar, students or guests of the opposite sex are not allowed in the lobbies of these houses when there is no open dorm. For residents of Dunbar, no one of the opposite sex is allowed in the back room, and the blinds must be kept open during open dorm hours. Violations of open dorm policy, along with other community standards, will result in lost privilege of living in upperclassmen housing.

NOTE: Members of the opposite sex are not allowed in the dorm rooms (with the exception of open dorm). Use of restrooms on floors or any other restricted area is not permitted at any time. Violations will result in disciplinary action that may include expulsion.

PETS
Students are not permitted to have pets of any description in any of the residence halls. The only pet allowed in residence halls are fish. No water turtles are permitted. Well-maintained fish tanks with filters are allowed. All exceptions (i.e. Seeing Eye dogs) to this policy must be approved by the Dean of Students.

QUIET HOURS
It is the policy of the college that the residence halls be reasonably quiet at all times. A 24-hour courtesy policy exists throughout the campus community. Therefore, students are not permitted to display excessively loud volume of music or voices. Violating quiet hours will result in a $25.00 fine, if the fine is paid within two weeks of date on fine it will be reduced to $10.00 (see chart under the fines section). Consistent violations will result in further disciplinary action.

It is expected that the residence halls be especially quiet during “quiet hours.” These designated quiet hours exist between 11:00pm and 8:00am. During these hours no noise should be heard outside your room or suite; violators of this policy will be subject to disciplinary action. These hours represent a minimum requirement to ensure residents quiet time to sleep and study.

There is a 24-hour quiet hour policy in effect during the last week of classes.
NOTE: Persons affected by noise have the right, as well as the responsibility, to graciously approach the person(s) responsible and request that the volume be lowered. Residence Life Staff is available to assist in the resolution of these situations. It should be noted that the College gives top priority to the activities of study and sleep.

ROLLERBLADES/ SCOOTERS/ SKATEBOARDS / LONGBOARDS/ BICYCLES
Rollerblades, skateboards, scooters, longboard and bicycles are permitted on campus except within any indoor facility and around their entranceways on campus. These items are to be used outside only. Failure to abide by this policy may result in disciplinary action.

NOTE: There is to be no rollerblade, skateboard, scooter, longboard and bicycle usage on outdoor stairs, railings, walls, etc. Any damage caused to college property by these items will result in assessments for labor and materials costs for replacement and/or repair of the property, and will be charged to the account of the student who causes the damage. Failure to comply with this policy may result in the confiscation of the items.

_Bicycle Storage Procedure_
Due to limited space, bicycles may not be stored in storage facilities or in respective halls. Bicycles should be parked outside of the residence halls. Due to fire codes, bicycles may not be stored in hallways or dorm rooms or chained to staircases

ROOM INFORMATION
Room Changes
Room changes may be requested between the Fall and Spring Semesters. Room changes may occur at any time at the discretion of Residence Life Professional Staff for extenuating circumstances. However, students are encouraged to use mediating procedures between roommates such as the roommate contract and Residence Life Staff intervention prior to requesting a room change. There will be a $25 fee for any room change.

Room Condition Report
The residents of each room will sign a room condition report upon arrival and during checkouts. Any damages or missing furniture not indicated on this form will be charged to the room occupants at the time of room change or final checkout. For the protection of the residents, the room condition report should be filled out with as much detail as possible. Any damage occurring during the school year should be reported to the floor RA, and if there is damage to a room, a charge will be put on the student’s bill.
**Room Decorations**
Students are encouraged to personalize their rooms. Wall hangings such as pictures and posters may be hung with Fun-Tack and Command Strips (use at your own risk) only. If Command Strips are not used properly and result in damage to the walls (i.e. peeling paint), this will result in a damage fee charged to the student. S-hooks may be purchased at the college bookstore for hanging items from the molding strips. Wall decals may be used at student’s own risk, and student will be charged a damage fee for any consequential peeling of paint. Students cannot use tacks or tape of any kind on walls, floors, ceilings or college furniture. Violations will result in a $25.00 fine. This fine is reducible if paid within two weeks of date on fine (see chart under fines section.)

Items not in keeping with the college lifestyle expectations are not to be displayed in student rooms or on college property. This includes such items as stolen property, alcoholic beverage containers, advertisements for prohibited products, crude or offensive materials, and pornographic or sexually exploitive materials. In particular, men and women in posters should be wearing attire that would be modest and in keeping with Community Lifestyle Expectations.

If decorations are not in keeping with college standards, students will be requested to remove such items. The College reserves the right to remove decorations deemed to be inappropriate by Residence Life Staff. NOTE: Decorative lights are subject to the fire safety policy.

**Room Entry, Search, and Seizure**
All college facilities, including the residence halls, are the property of Nyack College. Any area or property located on Nyack College premises and under the control or custody of a full-time or part-time student is subject to search. Included in the definition are:

- College-owned buildings and residences
- Student-owned, operated, or controlled motor vehicles located on college premises, and
- Any personal property located or contained in these structures or vehicles.

While the College consistently strives to respect the elements of personal privacy, Nyack College Staff reserve the right to enter and inspect residential space at any time under the following circumstances:

- Regular maintenance, safety and health inspections
- If there is reasonable cause to believe a violation of college policy, local, state or federal law is occurring
- Emergencies such as:
  - Incident to and following an arrest
  - For and in pursuit of a fleeing dangerous criminal suspect
  - Under urgent necessity (i.e. persistent loud screaming, medical emergencies)
  - Necessary to prevent loss or destruction by seizing an item (i.e. paintball guns, BB-guns, etc.)
The search may include, but is not limited to: opening drawers and refrigerators, examining furnishings and personal effects, searching an adjoining bathroom or suite, and seizure of tobacco, alcohol, drugs and pornographic materials. Residence Life has the right to do a walk-through of rooms as needed to ensure compliance with school standards. Residents are not permitted to refuse a Residence Life Staff member to enter their rooms.

NOTE: Residents must be fully clothed if a Residence Life Staff member, a facilities worker, etc. must enter their room.

**Justification for Search**

Any search conducted by Nyack College personnel must be based upon one or more of the following grounds: emergency, health and safety considerations, or suspected violation of college policy or local, state or federal law. A search may be authorized under the following conditions:

- **Voluntary Consent.** In most circumstances, it is desirable to obtain the prior voluntary consent of the individual residing in the area or property to be searched. While the student housing contract reserves broad authority for a search by college personnel, consent normally is to be sought prior to initiating a search. Consent by one roommate to the search of jointly occupied residential space is adequate, even if other roommates are absent.

- **Reasonable Suspicion.** It is the responsibility of Residence Life Professional Staff to decide if there is a substantial likelihood that evidence of unauthorized activity will be located in the place to be searched. This decision may be based on any credible information developed during ongoing investigation, received through indirect means, or reported by Residence Life personnel or other college students or employees. The Residence Life Professional Staff person is to evaluate all information for reliability and relevancy prior to requesting authorization to conduct a search.

- **Plain View.** Evidence of a violation of either college policy, local, state, or federal law, or which indicates health and safety concerns, may sometimes be observed in plain view within a residential space or vehicle. Evidence that is seen in plain view may be seized and will justify a search of the area in which the evidence is located.

- **Emergency.** Immediate entry without student consent is appropriate in emergency situations where pressing necessity or urgency require prompt action. In such a situation, delay might jeopardize the health and safety of a person or result in concealment, disposal or destruction of evidence or unauthorized activity. If it is reasonably believed that a student is concealing evidence of unauthorized or illegal activity on her/his person, it is permissible for the Residence Life Staff person to ask the student to empty out her/his pockets and/or turn them inside out. If the student refuses, the Staff person is authorized to contact the local police for their assistance with the incident. The Staff person will complete a report articulating the exact circumstances surrounding the situation.
Scope of Search
The search may include, but is not limited to, opening drawers and refrigerators, examining furnishings and personal effects, searching an adjoining bathroom or suite, and seizure of any item that is in violation of Community Lifestyle Expectations, including, but not limited to alcohol, drugs and drug paraphernalia, and pornographic materials.

A search by Nyack College personnel that discloses any item reasonably believed to constitute a controlled substance or drug paraphernalia, regardless of quantity or type, will result in an off-campus law enforcement agency being contacted. Residence Life or Campus Safety personnel will secure the site and remain at the scene pending arrival of a law enforcement officer who will assume jurisdiction over the incident.

Searches by Nyack College Personnel
- No search, whether consensual or non-consensual, shall be undertaken without the prior approval of the On-Duty Residence Life Professional Staff person unless emergency conditions are present.
- All searches shall be conducted by at least one Residence Life Professional Staff person. Whenever possible, the Residence Life Staff person shall be accompanied by a Residence Director, and a Campus Safety Officer.
- Whenever possible, the Residence Life Professional Staff person should not search the residence of a student of the opposite sex unless accompanied by a Resident Director or Campus Safety Officer of the same sex as the student.
- A written report describing justification, conduct, and results of a search will be provided to the Dean of Students and the Director of Campus Safety within 24 hours of the search.

Searches by Law Enforcement Agencies
A search may be made by a municipal or state police officer, sheriff, or federal law enforcement officer only pursuant to warrant or under circumstances in which a search without a warrant is legally permissible. No Nyack College personnel will assist in the search, but a Campus Safety officer or Student Development Staff person will accompany the searching officer. The accompanying Nyack College personnel are responsible to notify the Dean of Students’ Office as soon as possible that the search has occurred.

Seizure of Property
Items which constitute evidence that is discovered in plain view or as a result of a permissible search may be seized for use in college disciplinary proceedings and/or local, state, or federal criminal proceedings. A receipt shall be given to the person from whom the property was seized, or left on the premises in a conspicuous place.
Room Furnishings
All residence halls are furnished with single beds, chairs, desks, dressers or drawer space, and clothes’ closets or wardrobes. Students must provide their own lighting – either desk or floor lamps (no halogen lights are permitted). Students are responsible for the furnishings in their rooms. Unauthorized removal of college-owned furnishings is prohibited and will result in a fine. Unauthorized removal includes removing furniture from a room or taking public area furnishings for personal use. Any outside furniture, including couches, lazy boys, lounge furniture, bookshelves, etc. are not permitted in any residence on campus. The top of wardrobes must remain cleared.

Musical instruments and amplifiers, which cause excessive noise or distraction, are not permitted in the residence halls. Examples include: guitars or keyboards with amplifiers, stereos/televisions connected to amplifiers with high wattage, and drum sets are prohibited in college housing.

Room Guests
Overnight Guest Policy
With permission of the roommate, students are permitted to have overnight guests of the same gender. For security reasons and for the convenience of our residents, the following policies have been implemented in regard to overnight guests:

- Guest must be 16 years of age or older
- If a guest does not register within an hour of arrival, the hosting student will be charged a $100 fee per night. All other guest violations will result in a $25.00 fine. These fine are non-reducible (see chart under the fines section)
- Maximum of 2 guests in a room at a time
- Guests will be allowed a maximum of 2 overnight visits in campus housing per month free of charge accruing to no more than 6 nights per semester (this includes commuter students.) The maximum number applies to occupying space in ANY on-campus room. For example, a guest may not stay with one host for two nights and then move to another host’s room for two additional nights without being charged
- Guests desiring to spend more than two nights in campus housing will need to gain special permission from the Resident Director. A $15.00 per night fee will be imposed in such situations. The maximum number of days a guest can stay overnight in a row is 4 nights.
- Meals for guests are to be paid for in the Dining Room.
- Guests are subject to the same behavioral guidelines as resident Nyack students. Guests are expected to abide by Federal, State and County laws. Resident hosts will be held responsible for violations of policy by their guests and for ensuring that guests abide by college rules/regulations and Federal, State and County laws. If a guest violates school policy, the guest will be banned from the campus for the remainder of the semester and the host will be subject to sanctioning relevant to the policy violation.
• Guest registration cards may be obtained from an RA or from the Residence Life Office.
• Guests may not share beds with hosts and/or roommates. The host must make sure guest has a sleeping bag and make prior arrangements if guest is to sleep in roommate’s unoccupied bed.
• Parents and guardians are not permitted to stay in dorms or upperclassmen housing overnight.
• No guests are permitted overnight during orientation weekend, during the last week of classes, and any time after dorms have closed.
• The hosting resident must be present with their guest at all times in the dorms.

This policy also applies to Nyack College residents and students who withdraw during the academic year. A resident is permitted to be a guest on campus outside of their current room assignment for two nights per month with the approval of the roommate of the host room (see Sign Out policy).

NOTE: The College reserves the right to refuse permission to house overnight guests.

Children in College-Owned Student Housing
Because Nyack College does not have the permit or coverage for the care and responsibility of children and minors, infants and children age twelve or under are not allowed in any area of the residence halls, including a resident’s private room. Undergraduate residence halls are not designed for family living; therefore, residents with children are not allowed visitation in college housing. Visitation is ONLY permitted in Boon Center. The only exception to this rule is during family visit days or during the move-in or move-out process each year with the presence of the parent or legal guardian (with the approval of the Office of Residence Life).

Baby-Sitting
Childcare cannot take place in the residence hall or other undergraduate housing.

Room Inspections
Students are responsible for the cleanliness of their rooms. Rooms are not the private property of the student, but rather are “rented” from the college.

The following infractions will incur a fine per room occupant:
Failure to pass the room inspections held once per month to insure that the Health and Fire Safety Regulations of New York are being met (All fire hazards will result in a $250 fine.)
• Failure to leave the room clean at the beginning of a vacation period
  If a resident has failed room inspections they have 24 hours to clean the room. Failure to clean room after 24 hours will result in a $25 fine.

NOTE: Residence Life reserves the right to check wardrobes/closets.
Food stored in a room should be kept in a tightly closed container, in order to keep insects and other pests out of the building. No articles of any kind are to be hung out of residence hall windows or placed on the outside ledges of the windows, including air conditioners and antennae.

**Roommate Contract**

All Nyack College residents in multiple occupancy rooms are required to fill out a roommate contract. The contract is to assist with the living and learning experience within the residence hall. The contracts are submitted to the Residence Life Staff in the dorm to assist with any conflicts that may arise. The contract serves as a tool of communication to foster relationship and life in community.

**SIGN OUT POLICY**

Residents who intend to stay overnight outside of their assigned room are required to sign out on their floor sign out sheets. This includes staying in any other location on or off campus. Residents with unplanned overnights should contact their roommate, RA, or a friend to fill out the sign-out sheet for them.

**TERMINATION OF RESIDENT STATUS**

If a student needs to terminate her/his on-campus residence for any reason other than regular checkout at the end of a semester, the following policy applies:

1. The student has an initial 48-hour period to remove belongings and set up a complete proper checkout time with her/his Resident Assistant.
2. In order for a student to have this change reflected on her/his account and receive any credits or refunds, the student must check out properly with the Residence Life Staff of her/his dorm.
3. If belongings have not been removed at the end of that additional week, the Residence Life Staff will remove and dispose of them. Residence Life is not responsible for any belongings left behind.

**STORAGE**

The College will not be able to provide storage on campus at any time. Students are encouraged to store items off-campus in rental facilities.

**VIDEO SURVEILLANCE**

Designated areas of campus facilities and surrounding grounds are monitored by continuous video surveillance for the purpose of enhancing the security and safety of the campus community. This includes residence hall entrances, exits and parking lots. Any tampering with or causing damage to a surveillance camera will result in a Safety Violation fine of $250.
SPIRITUAL FORMATION OFFICE  

The Office of Spiritual Formation maintains daily office hours. Students are welcome to stop in at any time with spiritual needs, concerns, for leadership and ministry opportunities and resources, pastoral counseling and other matters concerning spiritual life. Spiritual Formation is located at Lookout.

SPIRITUAL GROWTH ACTIVITIES  

As an evangelical Christian college, Nyack actively promotes the spiritual growth and development of each student. Classroom and community life provides challenging experiences and fosters thoughtful consideration of how the life of Christ is to be integrated with everyday living.

Chapel: Chapel services on Mondays, Wednesdays and Fridays provide an opportunity for mid-morning spiritual insight and refreshment as the community draws together to worship God.

Missions: Nyack College’s commitment to developing world Christians is expressed through the Missions Chapels and by making opportunities available for both local ministry and international ministry trips. Any student who wishes to take part in ministry opportunities sponsored by the College should contact Scott Reitz, the Global Service Learning Coordinator. The desire of the College is that Nyack students will be found in every corner of the world, sharing the hope and love of Christ with power and passion.

Praise and Worship: Students provide the leadership for worship teams that serve in Chapel. Each Spring Semester the Office of Spiritual Formation accepts applications for leaders for the following year. Leaders meet weekly for training, encouragement and guidance. Students who wish to participate on a worship team should contact the Office of Spiritual Formation.

Deeper Life Series: Scheduled early in each semester, these special Chapel and evening services place particular emphasis on the nurture and development of one’s personal relationship with God.

Discipleship: The development of small groups and PAVE mentoring groups (formal and informal) for the purpose of spiritual growth is strongly encouraged by the Office of Spiritual Formation. Students who wish to lead in these areas are encouraged to visit the staff in the Spiritual Formation Office.

Community Service: There are many different types of Christian service opportunities available to students to promote empathetic character development. Such ministry is encouraged in order to add a practical spiritual dimension to one’s educational experience.
CHAPEL AND SPIRITUAL FORMATION EXPECTATIONS

Mission:
The office of Spiritual Formation seeks to create a dynamic environment for students to engage in a transformational process by fostering their spiritual, intellectual and social formation, while realizing a capacity for lifelong learning in local and global communities.

Program Goals:
The Spiritual Formation program seeks to impart to students the desire to seek God by themselves for themselves. Students will be able to identify and understand the topics of the quadrant and apply these concepts to their personal spiritual formation.

Students will develop through regular attendance and/or participation in some of the following options: Chapel, small groups, community service projects, Introduction to Spiritual Formation class, mentorship from upperclassmen and campus mentor team, spiritual formation input through faculty advisor, worship team/choir, New York City ministry teams, overseas Global Service Learning (GSL) classes, and leadership development opportunities.

ATTENDANCE
The College offers approximately 45 regular Chapel services per semester from which students can choose to meet their requirement. In addition, attendance at small groups and other specific events approved by the Spiritual Formation Office may also be counted toward the Chapel requirement bringing the number of opportunities to receive credit to approximate 140. In keeping with the basic objective of fostering mature personal behavior, the responsibility for reporting attendance at Chapel rests with the student.

- All students enrolled in 12 or more units of course work during a regular semester are required to attend 27 chapels per semester. Each student should regularly check her or his Chapel attendance on the weekly report posted outside the Dean of Students’ Office.
- Seniors in their last semester of college must acquire 20 chapel credits in order to walk in graduation.
- Seniors who do not complete their total number of chapel attendance requirements in their last semester may not be permitted to walk in graduation.

ID scanners are located at the main entrance to record Chapel attendance. Students must scan in at the beginning of the Chapel services to be counted present. Students are responsible to verify that their ID has their correct student information and is scanning properly. A student is considered late after 10:15 am. Students must remain until the Chapel service is concluded.

Because of the large number of attendance opportunities available, there are no excused absences except by petition to the Office of Spiritual Formation (see section on Chapel Exemptions below). The number of Chapel attendance options will cover all eventualities: e.g., illness, doctor appointments, academic field trips, extended test session, participation in intercollegiate athletics, death in the family, birth of children, appearance in court, emergencies of any kind (car breakdown, snow days, late arrival on campus from vacation, etc.).

CHAPEL
Nyack College is committed to provide quality experiences to assist students in their spiritual development. Because spiritual growth is foundational to the intellectual, social, and relational growth that students will experience at Nyack, Chapel is considered to be an important and integral part of the college program. Students must determine their own personal relationship to Christ; however, chapel services are designed to be instrumental in building this relationship. The Spiritual Formation Staff, off-campus ministers and speakers, students and various members of the greater Nyack College community bring spiritual richness to the Chapel services.
CHAPEL EXEMPTIONS

Commuter Students with no MWF class before Chapel or directly after Chapel (no 8:30 am, or 11:10am class) may be exempted from the Chapel requirement for that semester. The Chapel Exemption Form is available in the Office of Spiritual Formation. The completed form, with a copy of the student’s class schedule attached as verification, must be submitted to the Office of Spiritual Formation by the last day of the add/drop period. When a partial exemption is granted, an appropriately lower Chapel requirement will be imposed. The Chapel Exemption Form must be submitted to the Office of Spiritual Formation by the last day of the add/drop period of the semester.

Student Teachers will automatically be exempted from the Chapel requirement during the semester of student teaching. At the beginning of each semester, the School of Education forwards a listing of current student teachers to the Office of Spiritual Formation.

Resident Students
If it is necessary to be excused from Chapel on a regular basis, a Chapel Exemption Form must be filed each semester with the Office of Spiritual Formation for review by the Spiritual Formation Office. Only those absences that must occur on a regular basis will be considered for exemption. Chapel Exemption regarding employment must include an employer letter on company letterhead verifying the student’s work schedule. A Chapel Exemption Form and employer letter (if work related) must be submitted to the Office of Spiritual Formation by the last day of the add/drop period of each semester. If new employment begins after the add/drop period, students are fully responsible for all Chapel requirements prior to new employment. An employer letter, including employment start date, with a Chapel Exemption Form must be submitted within 10 business days of new employment.

An attendance requirement of a minimum of 10 Chapel opportunities will be required of each full-time residential student whose Chapel Exemption is granted.

Exemptions will only be given for the following reasons:

- Employment
- Commuter Class Schedule
- Childcare needs for primary caregiver
- Other: Any unavoidable circumstances, such as a prolonged and severe illness will be taken into consideration. A student should submit a Chapel Exemption Form to the Office of Spiritual Formation giving exact dates and verification of the reason for absences.
The Office of Spiritual Formation will consider each Chapel Exemption Form on its own merit and make the best possible decision based on the information provided. After the application review, notice of the decision will be given in person or sent to your campus mailbox. Students submitting a Chapel Exemption Form must do so by the last day of the add/drop period of each semester. **Chapel Exemptions are valid only during the semester they are issued; therefore the Chapel Exemption Form must be filled out EACH semester.**

**CONDUCT IN CHAPEL**
The College desires that Chapel becomes one of the highlights of a student’s Nyack experience. This can only happen as every member of the community does her/his part in making Chapel a meaningful event. For this reason, students are expected to conduct themselves responsibly, respectfully and politely in Chapel. Talking is not appropriate during Chapel; this includes texting and other uses of cell phone. Doing homework is not appropriate during Chapel. Excessive talking disturbs others and is disrespectful to those involved in the service. Hats, caps, hoods, bandannas, earphones/headphones and sunglasses are not to be worn in Chapel out of respect for the community coming together in corporate worship of the Lord. An atmosphere of reverence is to be maintained, so that all may receive maximum benefit from these worship experiences.

**SCHEDULED ON-CAMPUS CHAPEL SERVICES**
Chapel credit is offered for these weekly on-campus experiences:
- 10:05am - Monday, Wednesday, Friday in Bowman Gym
- Participation in small groups previously approved by the Spiritual Formation Office
- Specially scheduled evening events which may include the following: Deeper Life Series, Prayer Summit, Sexuality Series, etc.

**VIOLATIONS**
If a student fails to meet their Chapel attendance requirement, the following series of sanctions will be imposed:
- **Chapel Warning** – Failing to meet the Chapel requirement in any single given semester will result in a written warning being issued to the student.
- **Chapel Probation** – Failing to meet the Chapel requirement will result in the student being placed on probation status with Nyack College. Probation status will remain until the student completes his or her chapel requirement in subsequent semesters.
### First Offense - Chapel Warning

Failing to meet the chapel requirement in any single given semester will result in a written warning being issued to the student.

The warning status will remain until the student completes his or her chapel requirement the next semester or goes on chapel probation.

### Second Offense - Chapel Probation

Failing to meet the chapel requirement in two consecutive semesters will result in the student being placed on probation status with Nyack College.

The student may not represent the college in any way.

STORAGE
The College will not be able to provide storage on campus at any time. Students are encouraged to store items off-campus in rental facilities.

STUDENT AUTOMOBILES AND MOTORCYCLES
Students are required to register their vehicles with the Campus Safety Department. Vehicles must be registered the first week of the new school year, or the first day that the vehicle is on campus at the Facilities Office. A registration fee is required and billed directly to the student’s account.

A valid driver’s license, state vehicle registration card and insurance card must be provided to register any vehicle. This information must be current in order to keep any vehicle on college property.

Parking availability is limited. Students living on campus can only register one vehicle. A student’s assigned parking lot may not be immediately adjacent to her/his residence. Students are expected to walk on campus, using their vehicles for off-campus travel. To maintain driving privileges, rules and regulations must be followed. Fines will be (take out “automatically”) billed to the student’s account. Individuals visiting students on campus must obtain a temporary pass from the Facilities Department Office.

FRESHMEN VEHICLE POLICY
Freshmen at Nyack College who live in the residence halls are not permitted to have a car (or any other motor vehicle, including motorcycle, moped, etc.) on campus.

Exceptions to this rule will be made on a case by case basis. The student will need to submit the following to the Office of Student of Development, attention Dean of Students:

- Class Schedule
- Letter from Parent
- If work related:
  - Work Schedule
  - Last pay stub
  - Letter from Employer
- If sports related:
  - Practice Schedule
  - Game Schedule
  - Letter from the Coach
- If church related:
  - Letter from the Pastor

Job locations will be considered, any job locations in the area will require public transportation.
Exceptions are made for the following individuals:
- Students with medical situations to allow travel for specialized treatment that cannot otherwise be obtained through the College Health Service or local specialists. (These exceptions are made after thorough review on an individual basis and require medical documentation from licensed physicians. The medical need must be that of the student, not of family members.)

This policy does not apply to non-traditional freshmen. Non-traditional freshmen are students who are 21 years of age or older. Freshmen granted a parking permit must park their vehicle in designated lot. Violations of the policy will result in sanctions imposed by campus safety and will result in tickets, fines, and/or suspension of parking privileges during the present and/or future term(s).

**Parking During Snow Storms** It is the Driver’s responsibility to clear cars off and remove snow around the car. Your R.D. will coordinate with the Facilities Department and let you know where and when to move your car following major snowstorms so the parking lot can be cleared.

**Bicycle Racks are provided in the Following Locations:**
- Bethany
- Boon
- Christie
- Dunbar
- Harmony
- Jaffray
- Moseley
- Simpson

Bikes not parked in Bike Racks, but tied to poles, trees, rails, etc. will be picked up by Security or Facilities Staff.

For more details please refer to our website at [www.nyack.edu/facilities](http://www.nyack.edu/facilities).

**STUDENT OF CONCERNS COMMITTEE**
The Student of Concern Committee is comprised of the Associate Dean of Students, Director of Student Wellness Services, Director of Spiritual Formation, Assistant Director of HEOP, Resident Directors, Compliance Coordinator, Registrar, and Faculty Members.

The Student of Concerns Committee (SOC) meets once a month during the academic year to respond to students who have concerns or who are at such a risk that their ability to stay in college may be compromised. The mandate of the SOC Committee is “to bring to awareness students whose needs and concerns may be better addressed, accommodated, and/or resolved, though a collaborative, college-wide approach.”
For those in the Nyack community who teach, supervise, mentor, and support our Nyack College students, the following guidelines may be helpful when you believe a student referral should be made:

**Immediate (but not an emergency)**—please contact the Office of Student Development at extension 4790 (845-675-4790) or Residence Life Professional Staff Area Coordinator on duty after 6:00PM at (845) 405-9038 or campus security at extension 7191 (845-675-7191) if there is an immediate concern about the health or safety of a student. **Please be sure to speak with someone in person so we can respond quickly.**

**Ongoing but not an immediate health/safety concern**—please contact Student Development at extension 4790 or Wanda.Velez@Nyack.edu (Your referral will be forwarded to each team member listed below) if your concern does not rise to an immediate health/safety level, but you feel that the student could use an additional network of support. Possible referrals could include issues that impact students’ success: Class attendance, minor classroom behavior issues, judicial issues, significant medical issues, faculty/staff behavioral concerns, family situations, loneliness or isolation.

**PROCEDURES**

**Medical Interim Suspension**
The SOC Committee may invoke a medical interim suspension upon a student’s medical or psychological hospitalization, emergency, or during a medical evaluation period. Students who are medically suspended for any health reason are temporarily not allowed to participate in any college activities, attend classes, reside in or visit on-campus student housing, and may not be on campus except to attend a meeting or hearing related to her/his case. This interim period allows time for a student to receive the needed medical and/or psychological care, and for all parties to consider an evaluation of readiness to return to the College. The student must follow the clearance procedures listed below before returning. Students who are medically suspended will be notified in writing and will have the opportunity to address the basis for the decision by contacting the Associate Dean of Students.

**Voluntary Withdrawal for Medical Reasons**
Students are encouraged to request a voluntary withdrawal for medical reasons when they believe their physical or mental health problems are preventing successful engagement in, and completion of, academic course work; when safety is in question; or when the demands of college life are interfering with the ability to recover from, or adjust to a significant physical or mental health challenge.

Students interested in pursuing a voluntary withdrawal may wish to discuss this option with the Director of Student Wellness Services, or they may independently initiate the process through the Dean of Students’ Office. After the voluntary withdrawal is approved, the person is no longer considered a student and must
immediately leave campus and, if applicable, officially check out of on-campus housing.

Students who make this choice after voluntary withdrawal must follow the clearance procedures listed below. Students who make this decision independently are not required to follow the clearance procedures. However, these students are encouraged to meet with the Director of Student Wellness Services upon re-entry to ensure that they are aware of on-campus and community services available to address their needs.

**Involuntary Withdrawal for Medical Reasons**

In rare circumstances, the SOC may determine that a student must be involuntarily withdrawn for medical reasons. Those who are involuntarily withdrawn for any health reason are not allowed to participate in any college activities, attend classes, reside in or visit on-campus student housing, and may not be on campus except to attend a meeting or hearing related to her/his case.

Examples of situations that might result in an involuntary withdrawal for medical reasons include the following:

- Professional evaluations following a medical interim suspension do not support a student’s readiness to return;
- A student fails to complete the required assessment during a medical interim suspension;
- A known condition has deteriorated (e.g., a student with an eating disorder), rendering the student to be in possible imminent danger and/or incapable of functioning as a student.

In most cases, these situations can be handled through voluntary withdrawals; however, if the student is unwilling to pursue a voluntary withdrawal, the SOC Committee may invoke its right to involuntarily withdraw a student. The SOC Committee will recommend assessment and/or treatment conditions needed to return to Nyack College.

The student must follow the clearance procedures listed below. If a student believes that a decision for an involuntary withdrawal for medical reasons made by the SOC Committee is unreasonable or that the procedures used were unfair, the student may appeal. The appeal must be made in writing to the Associate Dean of Students of Nyack College. Appeals should clarify what facts the student believes were not considered, or explain what procedures were unreasonable or unfair. Once notified of the involuntary withdrawal, the student has three business days to submit her/his appeal. The Associate Dean of Students (or designee) will respond in writing to the student’s appeal within three days. The response will clarify whether the Associate Dean of Students concludes that all relevant facts were considered and led to fair and reasonable conclusions.
Clearance Procedures
Any student who has been placed on a medical interim suspension or an involuntary withdrawal for medical reasons will need to complete the following clearance procedures before being allowed to return to the College. The following steps are designed to ensure that a health emergency no longer exists and a treatment plan for continuing good health and safety is in place. NOTE: Depending on the situation, students may complete these procedures on different timelines. Some students may complete these steps within days of the medical interim suspension notice while others may wait several months before pursuing a return to the College.

- The student must be assessed by an appropriate outside professional, whose opinions will be advisory to the College. The professional, who is selected by the student, must be a licensed psychologist or psychiatrist if evaluating mental health concerns, and must be a licensed physician if the evaluation is regarding other medical concerns. Further, all providers must be unrelated to the student and must have specialty/credentials appropriate for the condition of concern (e.g., an eating disorder or substance abuse specialist). To make an accurate assessment, before conducting the evaluation the provider must be given information related to the precipitating events that led to the leave.

This typically would involve the student signing a release allowing the College (e.g., Health Services, Counseling Services, or Dean of Students) to share information regarding relevant incidents or concerns, and if applicable, recent hospital records. The student will be responsible for any cost incurred by the evaluation.

- The outside mental health or medical professional, with the student’s written permission, must provide an assessment of current functioning of the student and provide written recommendations regarding: a) given the precipitating events, the student’s readiness to return to the academic and co-curricular demands of college life; b) the student’s readiness to live in the on-campus residential community; c) ongoing treatment or testing needs; d) any conditions or restrictions that the College should impose; and e) the student’s readiness to return to competitive sports, if the student is a collegiate athlete.

NOTE: Documentation of the assessment (conducted within 30 days of application for re-entry) and documentation of required treatment completion must be provided to the Dean of Student’s Office no later than December 1 for the Spring Semester and July 1 for the Fall Semester.

- After the evaluation results and treatment documentation have been provided, the student must meet with the SOC Committee representative (typically the Director of Student Wellness Services). The evaluation and the student’s own perception regarding readiness to return, needs, and plans for treatment will be discussed. Additionally, the representative will consider how the outside evaluator’s recommendations fit with the
realities of student life at Nyack and services that are available on campus or in the community.

- The SOC Committee will meet and consider the outside evaluator’s recommendation and the results of the student’s meeting with the SOC’S Committee representative to inform its re-entry decision.
- Students will receive written notification of the SOC’S decision.

NOTES:

- There may be occasions in which the SOC requires additional evaluation.
- The SOC reserves the right to require the student to comply with a treatment plan recommended by the outside and/or Nyack healthcare/mental health professional as a condition of returning to the campus community. Review and monitoring of the student’s required treatment plan may be assigned to a college designee assigned by the SOC Committee.
- If a student was living on-campus prior to the emergency, approval for return to the College usually includes approval to return to housing. A student’s on-campus housing status may be restricted however, if the student’s behavior poses a health or safety threat to her/himself or others.
- If a student was required to complete specific treatment (e.g., eating disorder or substance abuse treatment), the student must provide documentation regarding the completion of this requirement.

If you are interested in joining the worship ministries of Nyack College, then please contact the office of Spiritual Formation at x4455.

If you are interested in creating or joining a Club or Organization, a complete list of Clubs and Organizations on campus can be found at life@nyack.edu then click on the Student Life tab and then Student Activities.

**TELEPHONES**

The campus phone system is available throughout the campus and in all residence halls for community convenience and service. Each residence floor has been equipped with one or two campus telephones for resident use. Because many people share the campus phones, calls made on campus phones should be limited to ten minutes and may not be made during quiet hours from 11:00pm – 8:00am. Calls requiring longer time should be made on private phones. Outside numbers may be reached by dialing “8 + 1 + xxx.xxx.xxxx.” Calling cards are required to make long distance calls.

Abuse and vandalism of institutional phones in the residence halls and lobbies of the various buildings present a hardship on the whole community. Any form of telephone misuse, including long distance theft and misuse of institutional phones, will lead to a fine and/or disciplinary action. If it is impossible to ascertain the party at fault, a collective fine will be administered to an entire floor or residence hall, depending upon the location of the damaged equipment.

**VANS**

School-owned vans are available for use by approved college organizations and may be scheduled through the Facilities Department. They are not for personal use. Vans need to be requested by faculty or staff. Requests from students will not be honored.

Requests must be made at least one week prior to use and are assigned according to the following priorities: (1) Academics, (2) Athletics, (3) Spiritual Formation, (4) All Others.
In order to drive a college-owned vehicle, a student must be at least 21 years of age and have a clear driving record verified by the college insurance company. This form is available at the Facilities Department and on our website.

A set fee per mile is charged to all organizations when borrowing a college-owned van. Each van is assigned a mileage card, and that must be filled out completely and correctly, or the organization will be charged a fee. The van must be returned to Facilities with the inside clean, or the organization will be charged a fee for cleaning. Drivers are to report any accident or damage to the vehicle immediately to the Facilities Department.

For more details please refer to our website at www.nyack.edu/facilities.

**VIDEO SURVEILLANCE**

Designated areas of campus facilities and surrounding grounds are monitored by continuous video surveillance, for the purpose of enhancing the security and safety of the campus community. This includes residence hall entrances, exits and parking lots.

**WEATHER POLICY**

Nyack College makes every attempt to keep the College open and operating during periods of heavy snow, ice or other severe weather. However, for safety reasons, it may be necessary to cancel/delay classes or close the campus entirely because of dangerous weather conditions.

Because weather conditions can change quickly, we have developed a system to resume classes as quickly as possible after a major weather event. It’s important to remember two separate terms for weather-related closings:

**Morning/Afternoon/Evening Classes Canceled:** If morning, afternoon or evening classes are canceled, students and faculty are not required to come to campus for that time period. All other Nyack employees should report to work because classes could resume later that day.

**Campus Closed:** All Nyack College classes are canceled. Students, faculty and employees are not required to come to campus except Physical Plant and Public Safety employees.

Class cancellation or closing information will be posted by 6 AM for morning classes, 10 AM for afternoon classes and 3 PM for evening classes. The College will make every effort to resume classes as quickly as possible after a weather event; however, safety will always be our first priority. This includes Saturday classes.
It is expected that during winter months employees will allow themselves extra
time to arrive at work on schedule. Under unusually difficult weather
circumstances, however, a grace period, not to exceed the first two (2) hours of an
employee's workday, may be allowed following the beginning of the workday.

Because inclement weather often subsides as the day progresses, it is important to
check the Nyack College website http://www.nyack.edu regularly for updates. In
addition to the Nyack College website, weather-related class cancellation or
closing updates will be communicated via the following methods:

**EMERGENCY HOTLINES:**
Rockland Campus: ext 4951 or dial 845.675.4400 and choose Option 6
Organizational Management: ext 4957 or dial 845.675.4400, choose Option 1 and
then dial 4957

Students and staff can also join the Facebook group, Nyack College Emergency
Closing Notification, which will post a message to all group members in case of a
closing or cancellation. Nyack College’s Facebook page will also post a link to
the Nyack College website to inform members of a closing or cancellation.

For more information, please visit www.nyack.edu/Closings.

**WRITING/RESEARCH CENTER**

All Nyack College students seeking assistance with pre-writing, drafting, revising,
and editing their written assignments are encouraged to use the resources
available through the Writing Center. Services are available at the Rockland &
Manhattan Campuses for both graduate and undergraduate students, and phone
consultation is available for off-campus graduate students.

The Writing Center at the Rockland Campus is located above the Bailey Library.
To walk in or schedule an appointment, call ext. 4442. The Writing Center at the
Manhattan Campus is located on the 19th floor in Room 1915. To walk in to
schedule an appointment use Room 1908. To schedule appointments via phone,
call ext. 6139.
Student Disciplinary Process
PHILOSOPHY OF DISCIPLINE
The Nyack College disciplinary process is set for students to tell their stories and have accountability for their actions set in place. The desired outcome is intended and designed to be redemptive and restorative. The student will always be empowered to make the best choices.

The process of discipline at Nyack College is designed to help students connect (or reconnect) to God’s vision for their lives. The faculty, staff, and administration involved in the process of discipline are committed to coming alongside students as they are learning to walk in the ways of Jesus.

While enrolled in Nyack College, each student is responsible for knowing and adhering to all Community Lifestyle Expectations as set forth in the undergraduate student handbook. A committee of Nyack College faculty and staff will periodically review student’s commitment to the Community Ethos. If a student is found to lack commitment to the Community Ethos, the committee reserves the right to revoke a student’s registration.

COMING FORWARD

True holiness is not “cleaning up our act.” It is the recognition that we are utterly powerless to “clean up our act,” forcing us to come to Christ in complete brokenness.
–Ron Walborn

The Coming Forward Policy exists to provide students the space to be heard and assisted if the student owns and takes responsibility for the current issue. Any student desiring to change behaviors or attitudes that are in violation of college Community Lifestyle Expectations or standards has the opportunity to come forward and seek help in changing her/his behavior. A student, who voluntarily confesses a violation of Community Lifestyle Expectations or standards will not face formal disciplinary sanctions, provided the student:

1. Voluntarily initiates confession to a college faculty or staff member;
2. Puts the confession in writing by completing and signing the “Coming Forward Declaration and Agreement Form;”
3. Commits to a Growth Contract outlined by the Dean of Students or other Student Development professional staff member.
4. Understands that sanctions may still be levied based on conversations had and a determination of violation of college policy if said student is coming forward for assistance with a struggle.

Students must come forward prior to any accusation or other discovery of the violation by the Student Development Staff. Nyack College reserves the right not to consider the confession a mitigating circumstance if the student materially falsifies the confession, does not complete the assigned Growth Contract, or continues to violate college policy. Other mitigating circumstances include
behavior that is self-destructive, hazardous to others, or a significant civil or legal issue.

**COLLEGE DISCIPLINARY PROCEDURES**

**College Disciplinary Jurisdiction**
The College may exercise disciplinary jurisdiction over student conduct that occurs on or off college premises and which adversely affects the college community and/or the pursuit of college objectives. The conduct may involve a violation of local, state or federal law or violation of college community expectations and *Lifestyle Expectations*. A victim (complainant) may file complaints through local law enforcement and/or college process.

**Violation of Law and College Discipline**
College disciplinary proceedings may be instituted against a student charged with a violation of law that is also a violation of college lifestyle expectations without regard to pending civil litigation or criminal arrest and prosecution. College disciplinary proceedings may be carried out prior to, simultaneously with, or following any off-campus civil or criminal proceedings.

**Residence Life Professional Staff**
When the Dean of Students, Residence Director, or Area Coordinator becomes aware of an alleged violation of community lifestyle expectations (via an Incident Report or verbal report), he/she has the opportunity to either meet with the student involved and, if the student is found to be in violation, issue an appropriate sanction, or to forward the case to the Student Disciplinary Committee (SDC).

Typically, Residence Life Staff (RDs and ACs) will respond to violations of community standards or expectations relating to the residence halls, including, but not limited to, the following:

- Quiet Hours
- Failure to comply with check-in and/or check-out procedures
- Open House
- Roommate mediations
- Curfew
- Missed hall/floor meetings
- Fire safety (including, but not limited to, fire hazards, stacking furniture, not responding to fire alarms, and misuse of fire exit doors.)
- Room décor
- Vandalism, pranks, or hazing
- Entertainment
- Tobacco use in residence halls as well throughout campus
- Disruptive behavior (non-violent)/profanity

Any repeated violation of the above standards will be referred to the Student Disciplinary Committee. Students who fail to comply with confronting person and/or sanction imposed by Residence Life Staff may also be referred to the SDC.
Student Disciplinary Committee (SDC)
The Student Disciplinary Committee (SDC) will hear cases involving violations of law, repeat violations referred by Residential life, and violations of Community Lifestyle Expectations that occur outside of the residence halls and respond appropriately within the boundaries of due process as outlined in the Student Handbook. All decisions of the committee are considered college responses to violations of community standards.

SDC Members:
- Chief Judicial Officer
- Faculty/Staff Panel
- Students

The Student Disciplinary Committee is particularly concerned with community standard violations that have a continued negative impact on the college community.

Specific violations the Student Disciplinary Committee (SDC) will adjudicate, include, but are not limited to:
- Disruptive behavior (violent)
- Trespassing
- Violations of social networking policy
- Alcohol possession and consumption
- Drug possession and/or use
- Sexuality and relationships
- Theft
- Any repeated violations of standards that negatively impact the college community

Notification
When an SDC hearing becomes necessary, the student accused of the community standard violation(s) shall receive a written notice via Nyack email specifying the alleged violation(s) as well as the date, time, and place of the hearing. This notice will be given at least two (2) business days in advance of the hearing. If a student who has received appropriate notice fails to appear before the SDC, evidence in support of the violation may be presented and considered even if the student is not present. As all students are responsible to check their emails regularly (see Information Technology Expectations), not reading the email notice is not an excuse for not showing up to a hearing. All reasonable effort will be made to schedule the hearing at a time that does not conflict with a student’s class schedule. SDC hearings take place on the first and third Thursday of each month (emergency hearings will be called when necessary). However, the student is ultimately responsible for attending the hearing at the scheduled time; absences from class, athletic practice, work, or other activities will not be
excused. Decisions can still be determined even if the student fails to show up to his/her hearing.

**Respondent and Complainant Rights**

The respondent may examine relevant incident reports as well as other pertinent evidence. Students who have been the victim of a violation of college Community Lifestyle Expectations have the right to submit their complaint to a college official. The complainant has the right to be kept informed of the status of the proceedings, to have the presence of a non-attorney support person during a hearing, and to submit a statement of personal impact to the SDC.

**SDC Hearing Procedure**

- The hearing shall be conducted in private. The SDC will admit relevant witnesses. Relevant witnesses are those persons who have firsthand knowledge of the behavior/incident in question (i.e. eye and ear witnesses). Both the respondent and the SDC have the right to call witnesses. Confidentiality will be maintained subject to legal requirements to disclose final hearing outcomes.
- In hearings involving more than one respondent, the chair of the SDC may permit the hearings to be conducted either separately or jointly.
- A member of the SDC designated by the chair shall present the evidence against the respondent.
- The respondent shall have the right to appear in person at the hearing, to be fully informed of and to challenge the charge(s) and evidence, address witnesses’ statements, to present relevant witnesses and evidence on her or his behalf, and to remain silent.
- The respondent shall have the right to be assisted by an advisor of her or his choice. The advisor may attend the hearing but may not speak or otherwise participate. Because these are college disciplinary procedures and not legal proceedings, attorneys may not serve as advisors.
- The members of the SDC may question the complainant, witnesses, and/or the accused.
- Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in civil or criminal court, are not used in college disciplinary hearings.
- All procedural issues (e.g., testimony or evidence to be admitted or excluded, questioning of witnesses, conduct of the hearing, etc.) shall be subject to the final decision of the SDC.
- Dishonesty on the part of the respondent or evidence produced at the hearing that the respondent may have violated another college Community Lifestyle Expectation may be treated as a separate disciplinary violation.
- After hearing all evidence and witnesses, the SDC shall determine whether the respondent is responsible for each disciplinary violation with which he or she is charged. The determination shall be made on the basis of the preponderance of the credible evidence (defined as whether it is more likely than not that the respondent is responsible for the violation).
Decision
Within seven working days of the conclusion of the hearing, the respondent will be provided with a hard copy and an electronic copy via Nyack e-mail of the SDC decision made. The decision will include a statement of outcomes, including findings of fact and any sanctions imposed, as well as the applicable appeal procedure. Please be advised that if a student is visiting the SDC repeatedly for the same or different violations of college policy, sanctions will increase from the time of the last infraction. In compliance with federal law, the complainant will be provided with a limited notice of outcome (containing the name of the student found responsible, the violation committed, and the sanction imposed) only in the case of a crime of violence or non-forcible sex offense.

Sanctions
The scope for disciplinary sanctions includes, but is not limited to, those described below. Additional or modified sanctions may be imposed at the discretion of the SDC and Dean of Students. The application of sanctions will reflect the seriousness of the incident and the student’s history of previous violations. All sanctions may be considered on a case by case basis depending on the incident and the violating student’s past history and demeanor during SDC hearing.

NOTE: All departments are within their right to impose bans or restrictions of privilege to their areas depending on severity of violation of said department’s policies. These bans/restrictions will be communicated and enforced by the SDC. These losses of area privilege will also be accompanied by sanctions by the SDC for College policy violation.

Wise Counsel/Confrontation
Verbal contact with the student informing the student that he/she is violating or has violated the college Community Lifestyle Expectations and that continuation of the behavior will result in a referral to the SDC. Documentation of the confrontation will be made but will be used only if the behavior continues and a student is referred to Residence Life Professional Staff or the SDC.

1. Warning
Written documentation of inappropriate behaviors or attitudes with a temporary record kept in the student’s file.

2. Probation, Level 1
Indicates that a student’s relationship with the College is tenuous. Level 1 Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found in violation of any college Community Lifestyle Expectations during the period of probation. Level 1 Probation also requires that a student meet with Residence Life Professional Staff, the Dean of Students, or the SDC to outline and commit to a Growth Contract, which may include any or all of
the actions summarized below. Students must complete the requirements outlined in the Growth Contract by the conclusion of their probationary period in order to avoid additional sanctions. Sanctions may include:

- **Community/Volunteer Service**
- **Counseling**: The SDC may decide that a student may need additional counseling and mandate it as a term within the Growth Contract. Upon initial visit to Counseling Service, the student will again be asked to sign the *Consent to Release and Obtain Information* form (although information discussed is with a counselor private, this form is to ensure that the student is in compliance to the Growth Contract).
- **Fines**: payment of charges for violation of regulations
- **Loss of privileges**: loss of a privilege of participating in a college activity, in registration of vehicle, in visitation, or other matters as determined by SDC
- **Mentoring**: The SDC may decide that a student may need additional counseling and provide the student with a mentor who the student will have to engage for a length determined in the Growth Contract
- **Restitution/restoration**: compensation for loss, damage, or injury. This may take the form of appropriate service, monetary reparations, or material replacement

3. **Probation, Level 2**
   Indicates that a student’s relationship with the College is extremely tenuous. Notification is made to appropriate college officials: College-based financial aid may be reviewed, and students in leadership positions (e.g., resident assistants, SGA leaders, captains of intercollegiate athletics teams, ministry team leaders) will be required to step down from their position of leadership. Students who have applied to study abroad and/or cross-cultural courses will be subject to further review by appropriate college personnel. Students on Level 2 Probation are ineligible for summer on-campus student employment. Additionally, residential students on Level 2 probation are not eligible to apply to live off campus during, and within 6 months completion of, the probationary period.

Students on Level 2 Probation must agree and commit to a Growth Contract as outlined by the SDC and/or Dean of Students. Failure to follow through on the commitments outlined in the Growth Contract and/or any further violation during the Level 2 probationary period may result in immediate suspension or expulsion.

4. **Dismissal from College Housing**
   Loss of privilege to live in college housing. Students required to live on campus who are dismissed from college housing may be dismissed from Nyack College. Any student dismissed from the residential community prior to the end of the contractual period may be responsible for any remaining monetary charges and become ineligible for reimbursement for
any charges already paid. Dismissal from college housing may happen independently of, or in addition to, other sanctions.

**Dismissal**
Permanent separation of the student from Nyack College. The student is dismissed from the College and is permanently ineligible to re-enroll at the College at any time in the future.

When students are dismissed, expelled, or suspended for disciplinary reasons, there will be no refund of tuition or room and board for the semester and all financial assistance for subsequent semesters will be reviewed and are subject to cancellation.

5. **Suspension**
Temporary separation of the student from Nyack College for a definite period of time, after which the student is eligible to return without re-applying through the Office of Admissions. If the student is absent for two or more academic years, he/she will be required re-apply for admission, as is the case for all students. Conditions for readmission may be specified.

6. **Expulsion**
Temporary separation of the student from Nyack College for a definite period of time, but not less than two semesters, after which the student must re-apply through the Office of Admissions and be granted acceptance before becoming eligible for re-enrollment at the College. Conditions for readmission may be specified, but the student is not guaranteed readmission.

**Persona Non Grata (PNG)**
If a student, guest or visitor has exhibited behavior which has been deemed detrimental to the College residential community the student, guest or visitor will be no longer welcome or permitted to be present on any College owned property.

Under no circumstance is a person who is declared Persona Non Grata permitted to be in or around the Nyack College facilities and their surrounding parking lots. If the individual said to be violating this policy is found in or around any of the aforementioned restricted areas, they may be subject to arrest for trespassing.

**Disciplinary Withdrawal**
Students may seek permission from the Dean of Students to voluntarily withdraw from the College after involvement in a serious violation of college [Community Lifestyle Expectations](#) and standards before official disciplinary action is taken. A permanent record will be kept in college disciplinary files. Academic advisors, Residence Life Professional Staff, and parents are normally notified of the reason for withdrawal. Refunds are issued on a prorated basis (please see the catalog for
Conditions for readmission may include a personal interview, counseling, evidence of satisfactory academic work and community contribution at another educational institution, evidence of satisfactory employment, or other conditions.

**Interim Suspension**

In certain circumstances, the Dean of Students or designee may impose an interim suspension prior to a disciplinary hearing. Interim suspension may be imposed for any of the following reasons:

- To ensure the safety and well-being of members of the college community or preservation of college property
- To ensure the student’s own physical or emotional safety or well-being
- If the student poses a definite threat of disruption of or interference with the normal operations of the College

**NOTE:** Students who have been suspended, withdrawn, or expelled for disciplinary reasons are not permitted on campus without prior approval of the Dean of Students.

**Student Records**

Disciplinary sanctions other than dismissal from the College shall not be made part of the student’s permanent academic record but shall be retained in the student’s confidential record. Except in cases that result in suspension, expulsion, or dismissal, disciplinary actions shall be removed from a student’s confidential record 3 years after graduation.

**Appeals**

The College has implemented procedures for student appeals with the intent of assuring fundamental fairness. Students who believe they were not treated fairly in the disciplinary process can submit a written appeal to the Student Life Disciplinary Appeals Committee. The appeal can be emailed to the Appeals Committee at studentlifedisciplinaryappealscommittee@nyack.edu

Student Life Disciplinary Appeals Committee Members:

- Chief Judicial Officer
- Faculty Member
- Staff Member

The written appeal must specify grounds that would justify consideration. Written appeals must be submitted within 48 hours of the sanction and the student must leave campus while awaiting outcome of appeal. General dissatisfaction with the outcome of the decision or an appeal for mercy is not an appropriate basis for an appeal. The written appeal must specifically address at least one of the following criteria:

- Insufficient evidence to support the decision
- New evidence or facts not known to the student at the time of the hearing
• Procedural irregularity that undermined the student’s ability to present a defense
• Inappropriateness of the sanction for the violation of Community Lifestyle Expectations

Generally the appeals process does not require a hearing, nor does it require the Student Life Disciplinary Appeals Committee members to make personal contact with the student or the Student Disciplinary Committee.

The Student Life Disciplinary Appeals Committee may affirm, reverse, or modify the sanction. The Appeals Committee may also return the case to the SDC for further consideration. The decision of the Student Life Disciplinary Appeals Committee will be final and effective immediately. There is no appeal beyond the Student Life Disciplinary Appeals Committee.

Students will receive the final decision from the Student Life Disciplinary Appeals Committee within 48 hours of the Committee meeting. Students are expected to complete the sanctions as outlined by the SDC until they have received notice of granting or denial of appeal.

If an appeal is denied between the fall and spring semester, students must properly check out of their rooms, return their key, and remove all items before the first official day of classes in the spring semester. Failure to comply will result in accumulated room and board charges.

**Authority of Dean of Students**
In extraordinary circumstances, the Dean of Students may initiate immediate disciplinary action without referring a student to a disciplinary hearing. Examples of such situations include potentially inflammatory or dangerous circumstances, violations occurring during breaks or vacations, situations involving off-campus parties, and situations where student or victim privacy rights are of particular concern. The Dean of Students will take such action in consultation with appropriate college officials.

**NC/NYC Disciplinary Procedures**
The philosophy of discipline for both Nyack College campuses is the same; however, disciplinary procedures at NC/NYC may be modified at the discretion of the Dean of Student Life. While the processes may differ in form, the sanctions imposed are considered to be corporate; that is, sanctions imposed for a violation of Community Lifestyle Expectations on the Nyack campus will be in effect for that same student at the New York City campus. Therefore, during the period of any student’s suspension or expulsion, he/she will not be permitted to attend classes on any Nyack College campus.

Students at NC/NYC should direct any questions regarding disciplinary procedures to the Office of the Dean of Student Life.

- Giving an alcoholic beverage to someone under 21 years of age.
- Making alcohol available to someone under 21 years of age.

In addition, a student who is 21 years of age or older who has a guest under 21 that consumes alcohol on or in his/her leased, rented, or owned property is also subject to the sanctions stated above.

We reserve the right to contact the local law enforcement officials.
In accord with changes in the Family Education Rights and Privacy Act, the College may contact parents when any student violates College alcohol or drug policies or laws and is under age 21 or is still a dependent of his/her parents as defined in Section 152 of the Internal Revenue Code. The College reserves the right to exercise total discretion in the imposition of disciplinary sanctions.

All sanctions listed above are the minimum standard sanctions. Should a student have a disciplinary history, regardless if past violations are unrelated to current violations, sanctions imposed may be more severe. Sanctions may also be more severe for multiple concurrent violations. The standard sanctions may be reduced by the presence of substantial mitigating or other appropriate circumstances. Reduction in sanctions is at the discretion of the SDC and/or Dean of Students.
WITHDRAWAL FROM COLLEGE

If a student must withdraw from the College during the semester or at the close of the semester, he/she must go to the Registrar’s Office to complete a withdrawal form, have an exit interview with the Registrar, and turn in her/his student ID card. Chapel and class attendance are in force until the date of withdrawal. A resident student must vacate the residence hall on the date of the withdrawal.

If a student is unable to withdraw personally due to illness, written notification may be sent to the Registrar. On the date this written statement is received, the Registrar will process the official withdrawal slip. However, the official date of withdrawal will be the day the student stopped attending classes.

The last day to withdraw is a designated day 75% through the semester – consult the current college calendar.

There are housing and financial implications for a resident student dropping to a part-time status. Refer to the Residence Life section.

ADDITIONAL CONSIDERATIONS

Financial Hardship
Every effort will be made to consider a student’s financial situation and insurance coverage in making referrals for treatment or evaluation. Students who may need additional financial assistance or other consideration in meeting the requirements should contact the Dean of Students.
