**Program Assessment**

Courses in music theory and ear training, music history and literature, and instruction and experience in performance are required of all music majors beginning in the freshmen year and provide the foundation for advanced music study. The School of Music continually assesses student achievement in these areas through classes, private lessons, rehearsals, recitals, and concerts. In addition, a formal assessment is conducted at the end of each school year to identify areas of strength as well as areas of deficiency which would benefit from changes in the program. The following assessments are used to assess music program effectiveness.

Assessment	Context	Location in Program
1. Written evaluation of knowledge of theory and aural skills	Required theory and ear training courses	Fr. and Soph. years
2. Written evaluation of knowledge of music history and literature	Required music history courses	Soph. and Jr. years
3. Evaluation of performance juries, private instruction, ensemble and recital participation	Live performances	End of each semester

Assessment results are evaluated on an annual basis for program improvement. No individual student is identified in the evaluation of the program data. Results are reported below with percentage of students in each performance category.

Assessment	Exceeds Expectations	Meets Expectations (Pass)	Approaches Expectations	Does not meet Expectations (Fail)
1. Written evaluation of knowledge of theory and aural skills	48%	28%	12%	13%
2. Written evaluation of knowledge of music history and literature	36%	37%	19%	8%
3. Performance juries, private instruction, ensemble and recital participation	61%	32%	3%	3%

*2010-2011 assessment results are in progress at time of printing*

### **Admission to Program**

All freshmen and transfer students are admitted to the music degree programs on the basis of audition, teacher recommendation, and written essay. Prospective students for the B.M. and B.S.M. degree programs should perform at least two compositions in addition to technical exercises, scales, arpeggios, and sight-reading. B.A. in Music majors may perform a selection of choice commensurate with their background, ability, and interests. The audition is generally scheduled following the student's acceptance by the college. Prospective music majors may, upon request, audition for the music faculty prior to submitting an application for admission to the college. Prospective students who reside within a 200-mile radius of the college are expected to audition in person. Prospective students living outside a 200-mile radius may submit a recorded audio or video audition for review by the faculty, along with a letter explaining the contents of the recording and the conditions under which it was recorded. Applicants should consult the Recommended Repertoire section found in the Music Handbook for further audition guidelines. Transfer students should follow the repertoire suggestions for the appropriate year.

### **Advanced Placement**

Placement tests in music theory, ear training, sight singing, and dictation are given to all new music majors during Freshman Orientation. For students who display competence in these areas, the first year courses may be waived. Credits for music courses waived by exam or audition must be replaced by music elective credits.

Nyack College also accepts Advanced Placement (AP) music credits earned during high school. Contact the School of Music for more information.

### **Applied Music Requirements for Music Majors**

All music majors (except students in the B.A. in Music) are required to satisfy a certain level of performance in addition to the completion of the minimum number of credits in applied music. Occasionally this may require taking additional credits of applied music to achieve the graduation standard.

Students enrolled in the Performance and Music Education degree programs are required to fulfill applied major requirements. Applied minor study is recommended and optional.

Composition majors are required to fulfill the second year level in their applied major. Instrumental and Piano Performance majors must also complete the Concerto requirement (MUS 476) as described in the Music Handbook.

Performance majors will present a Junior Recital in their third year, one-half hour of music, and a Senior Recital in the fourth year, one hour of music. Students enrolled in Music Education and Sacred Music are required to present a Senior Recital of one-half hour in length prior to graduation.

### **Piano Proficiency**

All music majors not majoring or minoring in piano or Functional Piano are required to demonstrate Piano Proficiency (MUS 477) by audition or jury exam as described in the Music Handbook. (B.A. in Music majors are exempt from this requirement.)

### **Jury Examinations**

Students will perform before the music jury each semester in their applied major area, Functional Piano, Piano Proficiency and in an optional applied minor when applicable. The purpose of the jury is to determine

whether significant progress has been achieved or if the required level of competence has been attained to satisfy the degree requirement for graduation. The faculty will use the student's initial applied minor jury to approve the minor. Piano and voice juries are to be performed by memory, however piano minor juries do not require memorization.

Students preparing junior or senior recitals will perform Recital Juries approximately four weeks before the recital, and are exempt from regular semester juries. Details about juries and recitals are in the Music Handbook.

### **Accompanying Requirement**

A minimum of two semesters of accompanying experience in instrumental and voice studios and student recitals is required of all piano majors. Students are encouraged to receive coaching from their private piano instructor.

### **Ensemble Requirements**

Music majors are required to participate in at least one musical organization each semester they are enrolled full-time in the program. Voice majors are required to participate in a choral organization and instrumental majors in an instrumental organization. Keyboard majors may select either a choral or instrumental organization. Students may register for zero or one credit. (Chamber music is not considered to be a musical organization.)

### **Ensemble Requirements for Orchestral Instrument Majors**

First Year: Membership in one of Nyack College's instrumental ensembles in a second or third desk position.

Second Year: Membership in one of the college's instrumental ensembles, and capability of filling a second desk position in works of medium difficulty.
